It was held on the second floor of a lodge hall located at 2523 Glass Street, Chattanooga, Tennessee. The entrance to this hall stated that the building was also the headquarters of the Dixie Ku Klux Klan. The person who allegedly made the hall available was [redacted] a middle-age, white male. [redacted]

b6

The invitation added that Dr. Edward Fields, NSRP Information Director, and the staff would stay at the Hotel Patten and would arrive the evening of November 25, 1960. It stated that officers would be elected for four-year terms. It listed scheduled speakers as: The Host, JACK W. BROWN; Honorable EMORY BURKE (Keynote); Dr. E. R. FIELDS, Attorney J. B. STONER, NED DUPES, National Secretary-Treasurer; ARTHUR COLE, National Chairman, Mrs. ANNE BISHOP and others.

Some of the delegates were late in arriving.

During the morning of November 26, 1960, the National Officers for the next four years had been elected. They were announced as being NED DUPES, Knoxville, Tennessee, National Chairman; Mrs. ANNE BISHOP of Little Rock, Arkansas as National Vice Chairman; W. B. BURCH of Killarny, Florida, National Assistant Chairman; BERNICE SETTLES of Knoxville, National Secretary; ROY FRANKHOUSER of Reading, Pennsylvania, National Organizer; MATT KOEHL of Milwaukee, Wisconsin, Security Officer, and Dr. EDWARD R. FIELDS, a Birmingham, Alabama chiropractor, as Information Officer.

There were about thirty people, including six or seven women, at the afternoon session on November 26, 1960.

Among those identified as being present were Dr. EDWARD FIELDS, Birmingham, Alabama; Attorney J. B. STONER of Atlanta, Georgia; NED DUPES, Knoxville, Tennessee; [redacted] Chattanooga, Tennessee (who identified himself as [redacted] from Atlanta; (FNU) [redacted] a white male from [redacted] of Little Rock [redacted] of Chattanooga [redacted] unknown individual (a white male about 23 to 25 years old, 6' tall, 190 lbs., light red hair, who claimed to be a Klan member from Georgia, had a car with 1960 Georgia License [redacted] This person bragged that the FBI had offered him \$7500 to spy on other Klansmen and he had told them to "Go to Hell"); unknown individual (male white, accompanied the red headed Georgian. He had black hair and was cross-eyed, wore glasses, claimed to be [redacted] from Georgia. He too, bragged that the FBI had offered him \$7500 to spy on other Klansmen. He said he and his companion had been followed by the FBI on several occasions); [redacted] Pennsylvania; [redacted] of Milwaukee, Wisconsin; [redacted] [redacted] [redacted]

b6
b7C

During the meeting [redacted] bragged that most of the NSRP members were open but that some, due to their positions,

had to be secret members. He said one such member was a Postmaster, who, he inferred, was from Georgia. He also mentioned a Police Sergeant from Tennessee who recently was fired when, he claimed, his superiors learned of his NSRP membership. [redacted] said that for security reasons he could not reveal their names.

During the meeting [redacted] did a lot of vague and disjointed talking. [redacted] said that he would, if necessary, use guns to defend racial segregation and states rights. He did not get specific in this regard and could have merely been "talking to hear himself talk." [redacted] told those present that [redacted]

b6
b7C

On Sunday, November 27, 1960, just before the meeting ended, a man by the name of [redacted] made a lot of wild violent statements to the effect that he would fight and kill, if necessary, to defend and preserve racial segregation. [redacted] immediately silenced [redacted] telling the delegates that such violent and irresponsible statements could hurt the NSRP movement. Based on statements made by [redacted] it was apparent that he was well acquainted with and has worked with [redacted]. In fact, [redacted] said she knew [redacted]. She said he should not talk about violence.

b6
b7C

[redacted] in discussing [redacted] said the chief witness against him was an FBI "stool pigeon" who had been paid \$125,000 by the FBI to testify against him. [redacted] said this man [redacted]; that he had since disappeared from Atlanta. [redacted] said he wondered if he was not actually the one [redacted]

b6
b7C

J. B. STONER talked a lot, mainly he gave voluminous statistics derogatory to the Negro race as a basis for his contention that there must be no racial integration in the South.

[redacted] said little. [redacted] gave a deliberate and lengthy analysis of the U. S. Constitution, claiming that the Constitution did not provide for racial integration. He claimed that the U. S. Supreme Court had perverted the Constitution in its decisions ordering racial desegregation of public facilities.

b6
b7C

During the meeting [redacted] openly bragged that they are ardent Ku Klux Klan members.

STONER talked at length; attempting to blame this

country's plight on the Negroes, Jews and Communists. His major hate seemed to be the Jews. He talked at length about the numerous United States citizens who have been arrested and convicted for commission of espionage against the United States on behalf of Russia. He said that with two exceptions all of these had been Jews. He said the other two were Anglo-Saxons.

STONER emphasized that the problem of racial desegregation was not the paramount problem facing the United States and the South. He claimed that the Jews, who are promoting said racial desegregation, are the No. 1 problem. He claimed the Jews are doing this to demoralize the gentiles and thus use this demoralization as a stepping stone for their move to complete control of the United States.

Admiral JOHN CROMMELIN of Wetumpka, Alabama was not present. EMORY BURKE of Atlanta was not present. Either [redacted] or STONER told the audience that he had been detained in Georgia in connection with the probating of the will of a deceased general.

b6
b7C

A white male, exact description not recalled, was present the first day. He was from the New York City vicinity and was an avowed atheist. He evidently had made some sort of eccentric talk at the morning meeting on November 26, 1960, based on comments made by [redacted] and others present; that the NSRP was about ready to expel this alleged atheist and he allegedly left the meeting in a fit of anger. The details of this are not known but [redacted] said the atheist was trying to confuse issues.

b6
b7C

[redacted] appeared to dominate the meeting. He spent much time promoting and extolling the alleged virtues of the official NSRP organ "The Thunderbolt."

STONER, on November 26, 1960, spent much time attacking the FBI. He claimed that ever since the Atlanta Jewish Temple bombing the FBI had harrassed him and followed him; that the FBI had questioned him about the Little Rock, Arkansas bombing cases. He said that the FBI had arrested [redacted]

b6
b7C

[redacted] charging them with an attempt to bomb a Negro college in Little Rock on July 12, 1960. He laughed at the fact that [redacted] had even been caught by the FBI in the act of lighting the candle which was to have lit the fuse which would have detonated the dynamite. Despite this the Federal Government, he said, had to turn all of them loose. Everyone present laughed at this.

STONER, [redacted] and NED DUPES wanted to know if the Memphis representative at the meeting knew [redacted] of

b6
b7C

Memphis [redacted]

[redacted] and whether the representatives knew [redacted] of West Memphis, Arkansas.

b6
b7C

DUPES and [redacted] were disappointed to hear that no NSRP meetings were being held in West Tennessee. They urged that active meetings be started and [redacted] said that on his return to Birmingham he would send the Memphis delegate a list of NSRP members in the Memphis area, in order that they might be contacted and an active chapter be formed. They did not elaborate and say how well they knew [redacted]

b6
b7C

A good portion of the November 27, 1960 session, which did not start until around 11:00 AM, was devoted to future possible NSRP activity.

Some of those present called for more organized activity in contrast to the heretofore "paper type" nature of the NSRP.

The officers led by [redacted] outlined a vague plan of future activity. [redacted] proposed that in the future members of local chapters wear grey colored shirts to meetings. He elaborated that he would have patch type NSRP emblems made which could be sewed to the left chest side of the shirts. He suggested that by the same token the female members wear grey colored blouses with the same type patch emblem in the form of a thunderbolt sewed on the left chest side.

b6
b7C

[redacted] also said he would order some lapel type pins made in the form of a thunderbolt which could be worn on a tie or pinned to a shirt. He said these would cost \$2.00 each. the Memphis delegate second these moves and they carried.

b6
b7C

[redacted] also moved, and it carried, a plan to have city NSRP chapters hold weekly meetings and to hold bi-weekly meetings in the rural areas.

[redacted] emphasized that the NSRP cannot effectively work through large units. Instead, he said, the units must be small and flexible and ideally should not exceed four or five members per unit. He added that the NSRP will issue charters for any group having three or more members.

b6
b7C

[redacted] added that all chapters or units will ultimately be required to have an official NSRP flag which can later be ordered directly from [redacted] at Birmingham, Alabama.

b6
b7C

[redacted] indicated that future issues of "The Thunderbolt" will devote more time to local chapters and will promote the use

of classified ads which will cost fifty cents per line.

[] bemoaned the recent marriage of Negro movie and TV entertainer SAMMY DAVIS, JR. and Swedish actress MAE BRITT. He said that both of them claimed to be converted to Judaism. He said this was preposterous inasmuch as you could not be a legitimate Jew unless your father or mother was Jewish.

b6
b7C

[] then elaborated on the grey shirt angle. He said his ambition was for the NSRP members to ultimately have complete uniforms, including pants, belts and caps. He said that the NSRP would have to gradually work into the uniform angle lest some members become scared, possibly remembering the old German-American Bund of pre-World War II days.

b6
b7C

ROY FRANKHOUSER of Reading, Pennsylvania, a young man with a mustache, black hair and dark complexion, called this uniform idea a form of neo-Nazism. He said he strongly advocated the white supremacy theory of the NSRP but was opposed to any neo-Nazi movement. FRANKHOUSER appeared to be intelligent. He was quiet and talked little. He seemed to be a close friend of []

FRANKHOUSER predicted that race riots would ultimately occur in the Northern cities and the Northern white population will then realize the Southern white's problem and will support the white Southerner in his battle to preserve racial segregation in public facilities.

[] a young man having reddish hair and being of stocky short build, [] talked a lot in vague generalities. He said that actually the average Northerner was not prejudiced against the white Southerners' views once they realized the menace of racial integration.

b6
b7C

STONER and [] both criticized the United States for having entered World War II. They claimed that had the United States not done so Germany would have done the world a tremendous service by killing off all the Jews in Europe.

b6
b7C

Then STONER cussed the Jews, citing the fact that the convicted espionage agents JULIUS and ETHEL ROSENBERG had been Jews; that JUDITH COPLON, who was tried for espionage and whose case was dismissed, was a Jew. He criticized the U. S. Justice Department and the FBI for the handling of the COPLON case, claiming that her telephone had been tapped in order that it could be disclosed at her trial, thereby introducing grounds for dismissal of charges against her.

STONER went to great lengths to tell all of those present that they should never tell anything to the FBI, under any circumstances. He said the FBI will ask seemingly meaningless questions and lull the interviewee into a sense of false security and would then lead the interviewee up to pertinent questions and then trap the interviewee into making damaging admissions. He said that if any NSRP member is ever approached by the FBI for an interview, that said interviewee or member should refuse to be interviewed and refer the FBI to STONER, an attorney.

STONER gave as an example the recent series of bombings in Chattanooga. He said the FBI questioned one man about a Ku Klux Klan meeting and when the man answered one or two seemingly innocuous questions, he was soon induced to name everyone at the particular meeting. STONER did not elaborate and gave no indication that he knew who had performed any of the bombings or attempted bombings.

[redacted] were not knowingly mentioned at the meeting and were not knowingly there.

b6
b7C

[redacted] announced that the next national meeting of the NSRP would probably be held on Labor Day week-end 1961 at a place to be announced later.

The next election of national officers will be held four years hence.

The man from [redacted] predicted the United States would have a Communist dictatorship within four years. [redacted] took exception to this but did predict that creeping Socialism would further curb the individual freedom of the United States citizens. He denied that there would be any insurrection.

b6
b7C

[redacted] mentioned the current racial desegregation crisis in the New Orleans, Louisiana public schools. He bragged that the NSRP is passing out pro-segregation literature there and called on all NSRP members to give their moral and financial support to those Louisiana segregationists.

[redacted] got up and said that thirty years ago a Federal Judge issuing such pro-integration rulings as those recently issued by U. S. District Judge SKELLY WRIGHT of New Orleans would be hanged on the spot. [redacted] then turned to [redacted] to confirm this. [redacted] sat mute and non-committal.

b6
b7C

[redacted] was accompanied by a young white woman, a brunette,

b6
b7C

about 5' 7" tall, weighing about 123 pounds, neatly dressed but very dissipated looking.

b6
b7C

NED DUPES remarked that a year or so ago an old man in Memphis, name not recalled, had sold a number of NSRP memberships and had allegedly pocketed most of the money and had apparently not turned in much of the money. He said most NSRP members are members at large and do not participate in the affairs of the NSRP. [redacted] too, could not remember the old man's name.

b6
b7C

Nearly all present deplored the fact that heretofore the NSRP has primarily been a paper type and propaganda type organization and not an action organization.

At the meeting [redacted] and his associates did not openly discuss their Ku Klux Klan movement and did not try to sell any memberships. They did not identify any members in any other localities. [redacted] appeared to be on intimate terms with DUPES, [redacted] and STONER.

b6
b7C

Someone, believed to be [redacted] proposed that the NSRP make or utilize movies which would promote their cause. It was also proposed that they make tape recordings of speeches favorable to their cause and send them from locality to locality in order that they might be heard by diverse members.

[redacted] proposed to get a tape recorder small enough to fit in her purse. She did not elaborate on its intended use.

b6
b7C

[redacted] was noted to be driving a car, a 1959 or 1960 Rambler with 1960 Arkansas License [redacted]. She was accompanied at the meeting by a nondescript elderly woman.

At the November 26 and 27, 1960 meeting, [redacted] distributed copies of the November 15, 1960 issue of "Common Sense," Union, N. J. paper; copies of "Truth Seeker," November, 1960 issue, published 38 Park Row, New York 8, N. Y. Also copies of "The Cross and the Flag," October, 1960 issue, official organ of the Christian National Crusade, Los Angeles, California, were on a table free for the taking. Also available were two throw-aways of Christian Patriots Crusade, P.O. Box 147, Hinsdale, Illinois, one entitled "Beware of the Jews," the other entitled "Save the White Race - the Hell Inspired Jews Seek to Destroy the White Race."

It was estimated that about thirty people were present at the November 26, 1960 session, and that about twenty were present at the November 27, 1960 session.

DETAILS: AT CHATTANOOGA, TENNESSEE:

The Chattanooga News-Free Press, Chattanooga, Tennessee, a daily publication, in the city edition of 11/26/60, page five, column three, carried the following news story:

" 'Rights Unit Meets Here

" Segregation Goal,
Dr. Fields Says

"A group identifying itself as the National States Rights Party (NSRP) opened a two-day conference today in a clubhouse at 2523 Glass St.

KX 105-202

"The opening session, closed to the press, was held in an upstairs room, the entrance to which was marked 'Welcome Klansmen.'

"Dr. Edward R. Fields, editor of the Thunderbolt described as 'the official white racial organ of the National States Rights Party', told a reporter that some 35 persons from several states were in attendance at the opening session, held for the election of new officers and for 'the discussion of plans for future strategy and expansion'.

"A reporter entering the clubhouse was met by a man who asked, 'Are you one of us?' Asking to see Dr. Fields, the newsman was asked to remain downstairs in what appeared to be a clubroom while Dr. Fields was summoned from the meeting upstairs.

Important Plans

"Dr. Fields said he expected 'important plans' to be made at the two-day meet. He said he expected some 55 leaders from several states to show up for the meeting before it ended Sunday at about noon.

" 'We are here to make plans for our fight,' Dr. Fields, who is only 28, told a reporter.

"He was asked what the group was fighting for.

" 'Segregation', Dr. Fields answered.

"This group has been called 'extremists' by other states rights and constitutional organizations.

"Dr. Fields, a Birmingham chiropractor, said the local host for the conference was Jack Brown, a resident of East Chattanooga. He said the clubhouse 'is the property of Mr. Brown'.

"He said new officers of the group, elected during the initial session this morning, were Nat Dupes of Knoxville, national chairman; Mrs. Ann Bishop of Little Rock, Ark., national vice chairman; W. B. Burch, Killarney, Fla., national assistant chairman; Bernice Settles, Knoxville,

KX 105-202

secretary; Roy Frankhouser, Reading, Pa., national organizer; Matt Koehl, Milwaukee, Wis., security officer, and Dr. Fields, information officer.

"Dr. Fields said all the officers were present for the meeting except Mr. Burch. He said he had been contacted earlier and he had agreed to accept the post.

"Dr. Fields said the group was 'working quietly' and preferred not to have publicity in publications other than its own organ. The News-Free Press reporter was not invited to the meeting, but went to report on the convention in response to a 'tip' outside the organization.

"Dr. Fields and two officials later agreed to pose for a news photo.

"Entering the clubhouse, whose front door was plastered with "Faibus-for-President" stickers, a reporter was stopped by an elderly man who wanted to know the visitor's identification and purpose in coming.

"This man later was identified as Charles Smith of New York City, who boasted of having founded the American Association for the Advancement of Atheism. Dr. Fields said Mr. Smith was not part of his group."

A photograph accompanied this article showing three individuals identified as NED DUPES of Knoxville, national chairman; Mrs. ANN BISHOP of Little Rock, Arkansas, national vice chairman; and Dr. EDWARD R. FIELDS, information director.

DOCUMENTATION OF ORGANIZATIONS

DIXIE KLANS, KNIGHTS OF THE
KU KLUX KLAN, Inc.

Sources advised it was announced at a meeting of Klavern #1, U. S. Klans, Knights of the Ku Klux Klan, Inc. (U. S. Klans), at Chattanooga, Tennessee, on September 17, 1957, that some former leaders of Klavern #1 and their associates had been banished from U. S. Klans during the preceding week.

Sources advised those individuals who were banished formed a new klan organization known as Dixie Klans, Knights of the Ku Klux Klan, Inc., with headquarters in Masonic Hall, 2523 Glass Street, East Chattanooga, Tennessee.

A General Welfare Charter was secured by DK, KKKK, from the State of Tennessee on October 21, 1957, which charter lists some of the purposes of the organization as freedom of speech and association, rejection of forced integration, preservation of the constitutions of the United States and of Tennessee and the preservation of the sovereignty of each state.

On May 13, 1959, a source stated that the DK, KKKK, has active klaverns in Tennessee, Georgia, and Alabama. This source advised attempts were made to organize klaverns of this organization in Arkansas, Mississippi, Florida, South Carolina, and North Carolina, but the attempts at organization in these states have not been successful.

U. S. KLANS, KNIGHTS OF THE
KU KLUX KLAN, Inc. (TENNESSEE), aka

Source advised on October 12, 1956, that [redacted] organized a new Klan group at Atlanta, Georgia, in 1953. This organization received a corporate charter in Georgia, in October, 1955, under the name U. S. Klans.

KX 105-202

Sources advised in October, 1956, that the U. S. Klans has no affiliation with any previous klan group, but utilizes with minor changes the Klan Kloran or Ritual, written in about 1915 by WILLIAM JOSEPH SIMMONS and used by the now defunct Knights of the Ku Klux Klan (1915-1944). These sources advised the U. S. Klans has as its principal aims and objectives the promotion of Americanism, White Supremacy and Segregation.

Source stated the aims, objectives and principles for all practical purposes are the same as those of the Knights of the Ku Klux Klan.

[redacted] Sources stated that on numerous occasions [redacted] has announced objectives will be made through legal means and without violence. They advised klan officials expect to achieve objectives through strength in membership, thus insuring selection of public officials who are sympathetic with their views.

[redacted] Sources advised in November, 1956, that [redacted] and other individuals responsible for organizing the U. S. Klans are former officers and members of the Association of Georgia Klans (AGK). AGK has been designated by the Attorney General pursuant to Executive Order 10450.

Sources advised in 1958 that the U. S. Klans continues as the principal klan in operation and is actively engaged in recruiting members in several Southern States. These informants advised that the U. S. Klans have made considerable progress within the past year in opening new units in the Southern States.

'RIGHTS' UNIT MEETS HERE

Segregation Goal,
Dr. Fields Says

By J. B. Collins

A group identifying itself as the National States Rights Party (NSRP) opened a two-day "convention" at a clubhouse at 2628 Glass St.

The opening session moved to the stairs room, the room in which was marked, "Welcome Klansmen."

Dr. Edward R. Fields, president of The Thunderbolt, a weekly paper, told a reporter that some 35 persons from several states were in attendance at the opening session, and the election of new officers for "the discussion of past and future strategy and expansion."

A reporter entering the clubhouse was met by a man who asked, "Are you one of us?" Asking to see Dr. Fields, the newsmen was asked to go downstairs where he appeared to be a clubroom where Dr. Fields was summoned from the next-lying rooms.

IMPORTANT PLANS

Dr. Fields said he expected about 100 persons to be made members of the party. He said he expected some 35 leaders from several states to show up for the meeting before it ended Sunday at 11 a.m.

"We are here to make a statement," Dr. Fields said. He said he expected some 35 leaders from several states to show up for the meeting before it ended Sunday at 11 a.m.

This group has been called "extremists" by other states' rights and constitutionalists.

Dr. Fields is a Chattanooga contractor, and the location of the conference was at the home of a friend of his in East Chattanooga. He said the clubhouse is the property of Mr. Brown.

CONVENTION LEADERS—Three officials of the National States Rights Party holding a two-day convention at an East Chattanooga clubhouse this weekend are pictured here. From left, Mrs. Ann Bishop of Little Rock, Ark., national vice chairman, and Dr. Edward R. Fields, information director.—Photo by J. B. Collins

Dr. Fields said the group was working quietly and preferred not to have publicity. A reporter of the News-Free Press was not invited to the meeting, but went to report on the convention in response to a "tip" outside the organization by Dr. Fields and two officials later agreed to pose for a news photo.

Entering the clubhouse whose front door was plastered with "Faubus-for-President" stickers, a reporter was stopped by an elderly man who wanted to know the visitor's identification and purpose in coming.

This man later was identified as Charles Smith of New York City who boasted of having founded the American Association for the Advancement of Atheism. Dr. Fields said Mr. Smith was not part of his group.

"On October 29, 1956, [redacted]

[redacted] advised she was in possession of literature which she believed to be subversive. She explained there has recently been some discussion in the community as to whether it would be a good thing to teach religion in the schools. She said this is forbidden in the Akron School System but that certain students in Kenmore High School have been attending Bible Study classes in a private home before going to school. This received some publicity in the Akron Beacon Journal and the names and addresses of some of the members of the group were published.

b6
b7C

"Shortly thereafter each of these persons received envelopes postmarked at Canton, Ohio, 8:00 PM, October 22, 1956, which envelopes contained several pieces of literature from Truth Seekers Company, 38 Park Row, New York, New York. She said the literature spoke out against the Bible, stating it is fiction, immoral and the worst form of reading. She said the literature also ridiculed the United States Constitution and the persons who wrote the Constitution stating it was never intended this country be based on any religious principles.

"She said these publications show the editor as one CHARLES SMITH. She said another publication entitled 'Save the Public Schools,' published by the National Liberal League, 38 Park Row, New York, New York, is shown as being edited by MARSHALL J. GAUVIN.

"[redacted] said these publications are receiving widespread circulation amongst the high school and junior high school students in the Kenmore district, and she believes the distribution of such material to school students should be stopped."

He said this bulletin was entitled 'EISENHOWER Sets Up a Military Dictatorship In Arkansas' by JAMES H. MADOLE. He said that MADOLE stated in the article that EISENHOWER like TRULAN and ROOSEVELT before him has proceeded to trample the civil rights of white Gentile Americans because of extreme pressure by every Jewish organization. He indicated that the brutal suppression of segregation leaders, JOHN KASPER and Reverend FRED STROUD in Nashville, indicated the Police State methods used by the Jewish dominated Supreme Court and the EISENHOWER gangster regime in Washington. He also stated that the FBI is trying to frame up a new sedition trial by accusing leading citizens of Little Rock of conspiracy to foment rebellion against a court order to integrate Central High School. The article also stated the FBI is carrying out inquisitions which even arrests and holds teenage girls incommunicado over night.

An article in the "New York Daily News", a NY daily, of 1/21/59, by DAVID EURK stated in part as follows:

"Charles Smith under the auspices of whose New York Racist Forum Madole holds his indoor meetings, plies atheism, anti-Jew and Anti-Negro theses, plus the offer of a 'Free Book Catalogue' listing such titles as, 'Symbols, Sex and Stars', 'An Open Letter to Jesus Christ', 'Sex in Religion', 'Short History of Sex Worship' and many others.

"Smith's monthly Truth Seeker, 'Oldest Freethought Paper in the World - a Journal for Reasoners and Racists', splashes its pages with groups of items like this: 'White racists do not hate the colored man. It is the bad seed within him which they desire to eliminate. The race leveler is the hate preacher'."

On [redacted] (reliable) characterized b7D
"The Truth Seeker Group" as an atheist organization run by CHARLES SMITH.

[redacted] furnished information b7D
reflecting that CHARLES SMITH of "The Truth Seeker" was associated with JAMES H. MADOLE and the National Renaissance Party (NRP).

A characterization of the NRP is as follows:

On [redacted] who obtained b7D
his information from a source he termed reliable but whose identity he did not wish to disclose stated that the NRP is an anti-Semitic, anti-Christian, anti-Negro, neo-Facist organization with activities generally confined to the NYC area. It was founded in 1949 by JAMES H. MADOLE who is in complete

NY 105-28550

control of the NRP. NRP's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in NYC. This source advised the headquarters for the NRP is located at the residence of MADOLE at 10 West 90th Street, NYC.

The Un-American Activities Committee of the US House of Representatives in a preliminary report dated 12/17/54, stated that "National Renaissance Party activities and propaganda are clearly subversive and un-American."

There is nothing to indicate NSRP is holding any meetings in Birmingham.

The Bureau has instructed that activity of the NSRP is to be followed through informants, sources, and other logical investigative techniques. If data is received indicating new State NSRP chapters are established, or old ones reactivated, conduct the necessary investigation to determine the activities of such chapters. In the event information is developed indicating the NSRP maintains a bank account, monitor such account, if feasible. Maintain contact with established informants and sources familiar with the NSRP, or its principal leaders.

Regular reports are to be submitted each six months by any office which is conducting a continuing investigation of the NSRP in its Division. Any information of immediate interest to the Bureau must be furnished to Bureau in the proper form for dissemination, which is usually a letterhead memorandum. That office should then submit a properly documented report if the matter is to be RUC'd, but, if not, it should be included in the next regular report.

A review of instant file reflects that considerable activity has occurred in the Philadelphia territory, and that office should submit an investigative report covering this activity.

Each office receiving copy of this letter will follow and report the activities of an NSRP chapter in their territory, or activity pertaining to this matter.

For information each office, the following is a characterization of NSRP:

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

ADDRESS OF NSRP

Issue No. 25 of "The Thunderbolt" shows the address of the NSRP as P. O. Box 783, Birmingham, Alabama.

NATIONAL CONFERENCE OF NSRP, CHATTANOOGA,
TENNESSEE, NOVEMBER 26-27, 1960.

BH T-1, on December 1, 1960, furnished the following information concerning the National Conference of the NSRP, held at Chattanooga, Tennessee, November 26-27, 1960:

The conference was held in an old two-story brick building, the outside of which resembled an old theatre. The front door was kept locked and entrance was gained only by rapping on the door and being identified by an officer of the NSRP, or by giving a secret sign of KLAN membership. On the inside, over a door, was a sign which read, "A Klansman Is Never Taller Than When He Is Kneeling To Pray". The meeting hall was decorated with flags and symbols. To the rear of the speaker's stand was a five foot by five foot "Thunderbolt" flag. To the left of the "Thunderbolt" flag, stood a Confederate flag. An American flag was on the right of the Confederate flag. A small "Thunderbolt" symbol, about twelve inches square, was nailed to the speaker's stand.

The meetings were divided into three sessions. The first session started at 10:00 A.M., Saturday, November 26, 1960. This session was devoted to the election of officers. The second session was from 7:00 to 10:00 P.M., and was open to the public. The third session was a "work shop" for workers in the Party, beginning at 10:00 A.M., Sunday, November 27, 1960, and lasted until about 1:00 P.M., that day. Actually, all meetings were attended by essentially the same people; about 28 people at the first session; 36 at the evening meeting; and 23 at the third session, on Sunday morning.

The first session began at 10:00 A.M., November 26, 1960 and closed at 2:00 P.M. [redacted] presided at the election of officers. (It is noted that the names of the officers elected were set out above.)

BH 105-477

J. B. STONER of Atlanta, Georgia, is Attorney for the NSRP.

After the election, [] discussed "The Thunderbolt" and other "patriotic" publications. He said the "Republic" (not the "New Republic") is going out of business, because the millionaire supporter of the publication died. He said "The Thunderbolt" has no such supporters. [] said that members of the NSRP are all poor and there are no middle class people in the NSRP. [] said, "These middle class people are only interested in the almighty dollar - like the Jews. They may be white people - but they have sold their souls to the dollar. All they want is a little ranch-type bungalow in the suburbs and if integration comes they'll send their children to private schools." [] noted that EMORY BURKE of Atlanta, Georgia, was absent, because the will of some General in Atlanta, was being probated and BURKE wanted to secure some of the historically valuable papers and other things for himself.

b6
b7C

The evening meeting began at 7:00 P.M. with a speech from [] was described as the "host" of the conference, and [] was scheduled to be the main speaker, but he deferred to [] [] was said to be the [] or the KLAN group which meets in the meeting place used by the NSRP conference. [] speech was a plea to "return to the Constitution". He urged his audience to read the Constitution and teach the Articles to their children.

b6
b7C

The next speaker was [] of Atlanta, Georgia. [] was identified as the "martyr" of the Atlanta temple bombings. [] told the group, "they wanted to sacrifice this innocent boy on a Jewish altar." More than once, [] said that a man named [] did the bombing. In connection with the [] trial, both [] and J. B. STONER accused the FBI men of perjuring themselves to get a conviction. [] speech consisted of a plea to back up the NSRP and its officers.

b6
b7C

J. B. STONER of Atlanta, Georgia, was the next speaker. He denounced the FBI, the Jews, and the Communists in an extremely emotional tone. He said the Negroes are simply "pawns" in the struggle, "like the Congo and Cuba".

BH 105-477

STONER said, "I used to call the FBI men dogs - but now I call them rats - and I must apologize to the rats".

[redacted] spoke next. In his speech, [redacted] blasted the Federal District Judge in New Orleans. "He is a tool of the Jews," he said several times. He said, "This Judge holds himself up over the people of New Orleans - who did not elect him. He holds himself over the county - and over the State, too. And they did not elect him. Who elected him? A little clique in Washington, on directions from Moscow!" [redacted] emphasized that the NSRP is a "racial" group. [redacted] said, "We are not interested in water fluoridation, or in a tax cut. We can take care of these things later. Make no mistake - this organization is anti-Jew. We are anti-Jew because the Jews are anti-American. They are our real enemies."

b6
b7C

[redacted] advised the group that all Jews are Zionists. He said they have no religion, and that their bond is a national - race. He said the Jews have a nation within our nation, and the only people allowed in their nation are those belonging to their race. He said that the SAMMY DAVIS episode was a publicity stunt; that a Negro cannot belong to the B'nai Brith, or any social group of Jews. [redacted] shouted that the Jews want to integrate "our" race - not theirs. He said, "We must fight to protect our white race".

b6
b7C

b6
b7C
b7D

At the close of this meeting, [redacted]

b7D

The Sunday meeting concerned the development of new chapters or units of the NSRP. [redacted] presided and stated that the national headquarters would do "anything humanly possible to help those in the field". He said the main responsibility would be on the local people. [redacted] noted the absence of a member from New York, a Mr. CHARLES H. SMITH. [redacted] said that Mr. SMITH was not needed by the NSRP; that he was at the conference to promote his cause. He said SMITH is the Editor of "The Truth Seeker", which is an atheist publication. [redacted] said that SMITH is also Founder of the AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF ATHEISM. [redacted] stated, "This is a Christian organization".

b6
b7C

There was a lengthy discussion over the legal aspects of incorporating the organization and copyrighting the flag and symbols. STONER advised against incorporation. He said the NSRP is a political party and entitled to rights as such. He said that the Democratic and Republican Parties were not incorporated. Regarding the question of copyrights for the flag and symbols, STONER said that he was afraid that "The Thunderbolt" symbol was in the public domain, that he would check on it.

[redacted] asked the group to approve a resolution to require every member to purchase a "Thunderbolt" pin. He said he could arrange to have a suitable lapel pin made for about \$1.50 to \$2.00 each, if he could be certain of 300 sales. The group was a little cool to the idea of compelling the members to buy the pins. [redacted] emphasized the value of the symbol by describing the situation in Atlanta, Georgia, in the days of the "Columbian" organization. He said a few "Thunderbolt" posters were nailed up and before long the teen-agers began scrawling the symbol on walls and trees over the city. He said, "a Jew or a nigger could not walk down the street without seeing the symbol and feeling fear in their hearts."

b6
b7C

BH 105-477

A [redacted] (phonetic) from [redacted] asked for the floor. He said, "I wasn't at yesterday's meetings, but I can see now that I didn't miss anything. While our schools are being integrated and our race mongrelized, you are sitting here arguing about these pins! What we need is somebody who will get off their seats and act. You know how bad we lost at the ballot box. We had the best man we could get and lost. We've got to fight this thing out with physical force!"

b6
b7C

STONER and [redacted] jumped to their feet and STONER shouted, "Mr. Chairman, the man is out of order speaking of violence in this meeting. Our Constitution and By-laws prohibit this kind of talk." [redacted] said, "We are all disappointed with certain things about the election, but we did better than I'd hoped even. It will take time, but eventually we'll get in Washington, and we'll do it without physical force."

b6
b7C

The conference ended on this note. STONER later said that he did not have any objection to the use of force. He said, in fact, that sometimes it is necessary, but he felt that the open meeting was not the place to advocate anything like force. STONER said, "Let him do it alone, if he wants to do something like that."

BH T-2 advised, on December 1, 1960, that he
attended a meeting of the NSRP at Chattanooga, Tennessee,
on November 26-27, 1960. He said the meeting was held at
the meeting hall of the DIXIE KLANs, 2523 Glass Street,
East Chattanooga, Tennessee. T-2 furnished the following
information:

On November 26, 1960, [REDACTED] related that the
States of Arkansas, Florida, Louisiana, Tennessee, and
Mississippi, had a candidate for President on the NATIONAL
STATES RIGHTS PARTY ticket. Governor FAUBUS of Arkansas
requested that his name be removed in the State of Florida,
and it was done. [REDACTED] stated that there were over
15,000 names on the petitions in Florida; that it cost ten
cents each to have them checked by the Registrars of the
State and Counties. [REDACTED] stated that "the Party" and
"some member" spent several thousand dollars getting up these
petitions in Florida, and other States; that, at the present,
there were no outstanding bills unpaid, and that "the Party"
was well satisfied at the results of the election. [REDACTED]
said that getting the electors on the ballots of five States
was a big political gain; that the final results were not all
in, but when they were received that everybody will be
informed through "The Thunderbolt". [REDACTED] reported
that "The Thunderbolt" has no outstanding bills unpaid, and
has several hundred dollars set aside for improvements. He
said that "The Thunderbolt" will become a weekly publication
and will also publish books and pamphlets on race matters.
He said that any member can have a book or pamphlet published,
but that the cost of printing must be borne by the writer and
not by "The Thunderbolt".

b6
b7C

BH 105-477

[redacted] told of the work of the NSRP in the Presidential election in Arkansas. She said that there were 36,000 signers of petitions to place the name of Governor FAUBUS on the ballot, "and got 32,000 votes".

b6
b7C

[redacted] reported that several hundred dollars of [redacted] "own money" went into this work.

Ten States had representatives at the conference as follows:

Alabama	2
Arkansas	5
Georgia	4
Florida	4
Kentucky	2
Louisiana	3
Missouri	1
Mississippi	3
Pennsylvania	2
Tennessee	7

[redacted] is Secretary of the Atlanta "unit".

b6
b7C

A resolution providing for the wearing of a gray shirt with a patch of "The Thunderbolt" over the heart was adopted.

A resolution was adopted which provided that "The Thunderbolt" would become a weekly publication.

A resolution was passed which provided that all units are to hold at least two meetings a month; that large

BH 105-477

city units are to hold four meetings (or a weekly meeting).

A resolution was passed which provided that all units are to put on a campaign for new members, with help from national headquarters.

[redacted] and others discussed placing copies of "The Thunderbolt" in cars, in parking lots, at shopping centers. It was agreed that this would be done, and that each unit would put their rubber stamp address in a box on the last page. Some members wanted to place "The Thunderbolt" under the doors of homes. This was left to the individual units. Lapel buttons are to be made and sold, if they can be purchased "cheap enough". Clasps for women's coats and dresses are to be sold and women are to have gray dresses with "The Thunderbolt" on them.

b6
b7C

[redacted] and an unnamed member from Pine Bluff, Arkansas, arrived. [redacted] called on [redacted] to say a few words. [redacted] started to say that it is time for violence, but [redacted] stopped him. He said it was time to stop trying to be a political party and to have some action. At this point, [redacted] interrupted him. Only one person wanted to hear him speak. ROY FRANKHOUSER of Reading, Pennsylvania, wanted to "hear him out".

b6
b7C

It was announced that the next conference would be on Labor Day, 1961, at an unknown place, so far as was known at this time.

The following were present at the Chattanooga conference:

THE NSRP AND THE 1960 PRESIDENTIAL ELECTION

BH T-3 advised, on January 11, 1961, that he had

regarding the 1960 Presidential election. T-3 said this letter contained the following information:

b6
b7C
b7D

According to an Associated Press wire dispatch of December 4, 1960, the NATIONAL STATES RIGHTS PARTY led all other minor parties with 214,549 votes. This points out the fact that the NSRP is the third largest Party in America. The NSRP pulled more votes than all the other political groups in America combined. NSRP did not keep KENNEDY from winning, but did prevent him from receiving fifty per cent of the vote. As a result, KENNEDY is not the choice of the majority of the American people. He now enters office unsure of himself, afraid of future elections, and afraid to offend voters. KENNEDY is without a mandate from the people for his Communist race mixing platform, and will be a weak President without the respect of Congress. NSRP won a great victory in preventing KENNEDY from being able to claim a majority. KENNEDY received eighty per cent of the Negro vote and ninety per cent of the Jewish vote. NIXON lost the election by wasting his time running after the minority vote, who would not vote for him anyway. NIXON still has not learned his lesson, and continues to "cow" before the minorities, begging them for future help. KENNEDY was definitely elected by a Negro - Jewish bloc vote. KENNEDY's administration will say, "To heck with the white Christian majority". A third Party movement, the NATIONAL STATES RIGHTS PARTY - "the white man's Party" - is the only answer. Traitors and old-line politicians must be repudiated. NSRP people must be elected to public office. The "religious issue" hurt NSRP in Alabama, Arkansas and Tennessee. NSRP did poorly in Alabama, and did not actively campaign, because six Democratic electors campaigned as State Righters with the promise not to vote for KENNEDY. Democratic Party of Alabama placed large billboard signs all over the State, proclaiming that they stood for "white supremacy and the right". In one Tennessee county, 1,200 ballots were thrown out, because they claimed NSRP people voted for FAUBUS and NIXON both. Vote fraud is suspected. Also not counted were 12,000 registered voters in Florida, who signed petitions

BH 105-477

to get NSRP on the ballot. In a letter, dated November 7th and postmarked, November 10, 1960, Governor FAUBUS wrote NSRP office and apologized for removing his name from the Florida ballot. He stated that unbelievable pressure had been brought against him.

In Michigan, KENT COURTNEY entered his so-called "Independent American Party" on the ballot. This was done after Major TOOHEY's Tax Cut Party had already qualified for the Michigan ballot. There was an agreement among all patriotic third parties not to enter a State where another right-wing party was already on the ballot. COURTNEY spent thousands of dollars and was unable to get on the ballot in more than one State, and there polled only 539 votes. If NSRP had had only \$5,000.00 more to work with, it would have been on the ballot in ten more States with over a million more votes cast for States Rights. More than a third of a million white Americans voted for a third Party. If each of these people would "join, work and build this movement", in a few years, the United States would be governed by a new white man's Party.

Dr. FIELDS and NED DUPES talked over Radio Station WEPG in South Pittsburg, Tennessee. These talks reached into both Alabama and Tennessee. Station WAPQ, Chattanooga, Tennessee, carried NSRP message. Florida NSRP workers paid \$1,200.00 in filing fees for 12,000 names filed. "Florida will be one of the first States to see our movement in the State house. The overall picture looks good. We congratulate you and thank you. You have launched a political battle which will see the eventual salvation of this white republic and the destruction of the Communist enemy. The future holds much for those who will get out and work to save our race, nation and faith. This election proves that it is possible to win in a legal political election. The man going into the White House now is without the support of a majority - that is our victory."

The above letter thanked all people who worked to get NSRP on the ballot and to get out the vote. This letter advertised a book, "Jewish War of Revenge" by ARNOLD LEESE, stating that this book details the history of how the

BH 105-477

Jews manipulated United States into World War II on the side of Communist Russia. This book was described as a "must" for every patriotic freedom fighter, and that every reader will be able to understand world happenings of the past twenty years after reading this book,

This letter advertised the following "patriotic" items:

"The World Hoax" by ERNEST F. ELMHURST;

"Segregation Versus Integration"
by Reverend W. M. NEVINS;

Two books by Major R. H. WILLIAMS,
former Counterintelligence Officer,
"Jewish Anti-Defamation League and Its
Use in the World Communist Offensive" and
"Know Your Enemy", (50 pictures of
Communist Jews);

"Federal Reserve Conspiracy";

"Our Nordic Race";

Issue No. 21 of "The Thunderbolt",
"on how the sit-ins can take over your Mayor
and Police Department".

The above letter set forth five reasons for
subscribing to "The Thunderbolt", namely:

1. It is the only newspaper published by any
right-wing third Party in America.
2. It represents the largest, fastest growing
nationally organized white political movement
in thirty States.
3. It is dedicated to fighting for the preservation
of our race, nation and faith.

BH 105-477

4. It is a positive publication that believes that America will be saved by highly organized white man (in opposition to those who can only weep over how bad off we are and that all is lost - defeatist line).
5. If you are sick and tired of the red, me-too parties, and want something dynamic, positive, going places with action and faith in a cause that, we can win, then join the NATIONAL STATES RIGHTS PARTY or subscribe to its official organ, "The Thunderbolt".

"THE THUNDERBOLT"- PUBLICATION OF THE NSRP

"The Thunderbolt" is self-described as the official White Racial Organ of the NSRP.

Issue No. 21 of "The Thunderbolt", dated August, 1960, announced a mass meeting at the Knox County, Tennessee, Courthouse steps, on August 20, 1960, at 4:00 P.M. It was reported that Dr. FIELDS, NED DUPES, and LEE FOSTER would speak on "Sell-Out and Race Mixing and What You Can Do About It". The first page of this newspaper contained an article critical of Mayor DUNCAN of Knoxville and Chief of Police JOE KIMSEY, in connection with the "sit-ins" at Knoxville lunch counters. The article indicated that Mayor DUNCAN had sold out to the "sit-ins" and that Chief of Police KIMSEY protects Negro pickets but arrested white pickets.

The paper contained blanks for subscriptions to "The Thunderbolt" and membership in the NSRP.

Other articles appearing in the paper are:

"U. N. Hears Grim Details of Atrocities in the Congo";

"Let's Get A White Girl";

"F.B.I. Probing Anti-Estes Pamphlets";

"F.B.I. Won't Look For Two Missing Security Agents";

"Nixon Sells Out";

"Propagandists Conceal Facts On Race";

"Scientist Reveals That Negro Blood Differs From White";

"Faubus Boycotts Demo-Convention";

"White Governors Boycott Johnson", etc.

[redacted] on October 4, 1960, furnished an undated and un-numbered copy of "The Thunderbolt". The front page carried a large headline, "Draft Faubus Grows". This issue said that NSRP elector slates to draft ORVAL FAUBUS for President were emerging in the States of Alabama, Louisiana, Virginia, Tennessee, Delaware, Kentucky, Arkansas, and elsewhere; that the big battle is being waged in Florida, and that many experts feel that the NSRP can carry Florida once on the ballot. W. B. BURCH of Killarney, Florida, was quoted as saying that his group had been holding back on filing petitions to put FAUBUS' name on the ballot pending a decision on a Special Legislative session to provide for unpledged electors.

b6
b7C

Also, on the front page of this issue, was an article entitled, "Rights Party Qualifies in Alabama". This article stated that a new political group, the NSRP, qualified August 18, 1960, with Secretary of State BETTYE FRINK, Montgomery, Alabama. The Chairman of this group, JOHN D. KNOWLES of Opelika, filed a list of eleven Presidential electors with the Secretary of State. According to this article, the electors were chosen at the Party's convention, May 3, 1960, at Opelika. This article said the NSRP group chose as its electors, JOHN D. KNOWLES, ERNEST WILSON, JACK ANDREW TOMLINSON, Mrs. LILA EVANS, LODWICK H. BARTEE, ANNETTE M. BARTEE, GEORGE E. ALLEN, THERMAN DeLEE, WILLIE BAZZELL GARRETT, LEE J. CROWDER, and SANFORD D. RUDD. The article concluded by stating that the Party platform demands that the Federal Government stop "interfering with the sovereign rights of the States as guaranteed by the Constitution, issuing decrees which violate State sovereignty, fostering thought control and refrain from violating the traditional social customs of the individual States"; and that all Federal control be removed from the National Guard and State law enforcement, the article concluded.

The inside pages of this four-page issue contained several photographs with accompanying comments as follows:

"Volunteer white men and police in arrest of sit-in. Note policeman swinging at resisting Negro".

BH 105-477

"White men corner another sit-in";

"Two Acts - armed men are seen,
Note policeman";

"Youth holds sign that rephrases NAACP"
(Sign read, "Niggers Ain't Gonna Like
Colored People").

A photograph was printed on page 3 of Vice-President RICHARD NIXON shaking hands with a group of Negro teen-agers and others. An article underneath this photograph was entitled, "Nixon Invades The South With Civil Rights Pitch. Mixing Hasn't Raised The Cultural Level Of Negroes".

Another article was entitled, "Negroes Threaten To Drive Whites Out Of United States Soon, North Carolina Defenders Are Told".

Page 2 carried an article entitled, "Jacksonville Minutemen Guard". This article stated that, on August 28, Negroes rioted against whites in Jacksonville, Florida. This article stated that Negroes drove through white areas of Jacksonville, "wildly firing guns and throwing fire bombs in the white business places". White men did not take such violence lying down, according to this article, but two white policemen and three armed white filling station attendants shot and killed a Negro. The article said that whites jumped into cars and drove through the neighborhood shouting, "Arm yourselves, the niggers are coming".

Other articles in this issue were entitled:

"Governor of Louisiana Defies United States
in TV Talk";

"Negro-bloc Votes Elect Governor in North
Carolina";

"Down With Supreme Court";

"Kennedy Joins The Mau Maus"; and

"Perez Denies Attack on Jewish Faith".
(This article refers to District Attorney
LEANDER H. PEREZ of St. Bernard and
Plaquemines Parishes, Louisiana)

Page 3 carried a short article entitled, "F.B.I. In Civil Rights". This article said that Civil Rights Schools were being conducted for Southern police officers by the F.B.I., according to Director J. EDGAR HOOVER. Southern policemen are told "that the F.B.I. did not write the Civil Rights laws, or hand down the decision on school segregation. It's the F.B.I.'s job to enforce the law of the land with impartiality." The article said that it is not J. EDGAR HOOVER's job to declare the Supreme Court's decisions "the law of the land", when everyone knows only Congress can pass new laws. The article concluded, "We want no F.B.I. schools in the South to intimidate local police officers into surrendering white rights to the Negro. HOOVER wants moderation. We want him to pack up his carpet-bag and get out of the South. HOOVER has no business meddling in our school problem".

Also, on page 3, was the following:

"On September 29 F.B.I. race mixers approached 18-year-old SAM ALLMOND, 212 Alabama Avenue, Rossville, Georgia. SAM is a member of the famed Chattanooga DIXIE KLANS, INCORPORATED. The F.B.I. offered SAM, \$6,000.00 to pimp or rat on local segregation activists, SAM got rid of the snoops fast. He told them to go straight to Hell. God bless this brave young Klansman and may his righteous spirit spread."

Issue No. 23 of "The Thunderbolt", dated October, 1960, printed a front-page article entitled, "States Rights Can Win, November 8". This article set forth statements indicating that Governor FAUBUS of Arkansas could be elected President. It reviewed the Presidential election of 1948, when STROM THURMOND ran on a States Rights ticket.

Other articles were:

"Jewish Congress Cites Wilkins";

"States Righters File in Tennessee";

"General LEMNITZER Takes Over Top Military Post"

On page 2 was a photograph, with the following comments:

"Below is a remarkable picture of the Jew HYMAN RICKOVER, giving our Atomic secrets to a Communist leader. Soviet Vice Premier (Assistant Dictator) eyes our Atomic Power Generating Plant in Pennsylvania."

Issue No. 24 of "The Thunderbolt", dated November, 1960, was entitled, "Special New Orleans Edition". The front page contained an article, entitled "Perez Turns Spotlight On The Enemy". This article quotes PEREZ as follows:

"The Zionist Jews are leaders in forcing Communistic racial integration. I am not anti-Semitic, or anything else, except that I am uncompromisingly against forced racial integration as sponsored by leading Zionist Jews in this country and in this city. That cannot be successfully denied by ISIDORE SEELIG or IRWIN SCHULMAN or anyone else. The facts speak for themselves." This article states that the NAACP is not a Negro organization; that it has never had a Negro as its President, and that it was founded by the Jewish "Spingarn brothers, JOEL and ARTHUR."

On Page 1 appeared a reprint of a letter to Governor DAVIS of Louisiana, requesting him to close the schools until private white schools could be opened. This letter was signed by "New Orleans Committee For Private White Schools".

This issue printed a long article, which indicated that KENT COURTNEY, Publisher of the "Independent American" in New Orleans, and head of the "Independent Party", was trying to knock the NATIONAL STATES RIGHTS PARTY off the Florida ballot. This article stated that COURTNEY has "talked

BH 105-477

and misled", and the NSRP has "acted and led". The article concluded by calling KENT COURTNEY a fake. A letter was printed near this article, allegedly signed by KENT COURTNEY and addressed to Florida Newspapers, dated September 28, 1960. This letter contained the following:

"The official publication of the NATIONAL STATES RIGHTS PARTY is an anti-Semitic hate-mongering sheet called "The Thunderbolt". A recent issue of "The Thunderbolt" had the audacity to attack J. EDGAR HOOVER. This attack on J. EDGAR HOOVER is in line with the Communist Party's attempt to smear the House Committee on Un-American Activities, the Senate Internal Security Subcommittee, and the Federal Bureau of Investigation.

"I do not believe that Governor FAUBUS would want his name on the ballot if he really knew the kind of people who are behind the so-called NATIONAL STATES RIGHTS PARTY. For your additional information, I enclose reprint of an editorial from the "Shreveport Journal", which was printed about the middle of April, 1960.

"A thorough exposure of "The Thunderbolt" and the shadowy leaders of the NATIONAL STATES RIGHTS PARTY would seem to be in order."

This issue printed other articles entitled:

"Your Child Under Black Teachers";

"Racial Culture";

"Non-White Population Is Up In U.S."

"Mal Britt Will Convert".

Another article dealt with Jewish people in Russia, and concluded:

"For sometime politically crafty Jews in America have been seeking to climb on the Anti-Communist Bandwagon by

BH 105-477

"falsely claiming they are being persecuted in Russia. They seek to hide the fact that Jews use the ruling class in Russia. 70,000 Jews live in Moscow. KRUSHCHEV, himself, married a Jewess, as did his son. KARL MARX, the Jew, founded Communism. Never believe any fairy tales about Jews being persecuted in Russia. It is the Jew who is persecuting everyone else."

Issue No. 25 of "The Thunderbolt", dated January, 1961, printed a front-page story entitled, "Reds Move Into White House. Kennedy Betrays Voters". This article stated that voters have been shocked by the "un-American appointments made by President KENNEDY. DEAN RUSK, Head of the Rockefeller Foundation and a Rhodes (Socialist) Scholar, will be Secretary of State. ROBERT McNAMARA, President of Ford, with connections with the Red Ford Foundations, will be Secretary of Defense." This article said that for the first time in history there will be three Jews in the President's Cabinet; that never before has there ever been more than one Jew in any President's Cabinet. This article listed these men as ABRAHAM RIBICOFF, ARTHUR GOLDBERG, and DOUGLAS DILLON. The article said, "DOUGLAS DILLON (real Jew name, LAPOWSKI)". "This is the position the Jews have always wanted to worm their way into - direct control of the public treasury, KENNEDY announced that he wanted to place a Republican in his Cabinet (to show bipartisanship), so he picked the Jew DILLON. Every decent, respectable Republican should rise up in outrage over the placing of this satanic Jew in our Treasury, as KENNEDY's Republican voice in the Government. DILLON is also head of the International Jew Banking House of DILLON, REED & COMPANY, controlled by king of world Jewry, BERNARD BARUCH." This article mentioned that MYER FELDMAN, PAUL A. SAMUELSON, and PIERRE SALINGER are now all holding Government positions and stated they are all Jewish individuals.

The article concluded by stating that all the above individuals were not elected to office, but were appointed. A paragraph at the bottom of page one stated, "Many forget that this is a Christian nation and not a Jewish cesspool. The NATIONAL STATES RIGHTS PARTY program would ban

BH 105-477

"any Jew from serving in the Government",

Another article was captioned, "Sammy Davis Invited To Inaugural Ball". This article read;

"To top all this off, as a final slap at all White Americans, KENNEDY has invited SAMMY DAVIS, JR., and his wife to his Inaugural Ball. This, KENNEDY (whose family made millions in deals with the Jew-controlled whiskey industry) will flaunt race mixing in our faces. That is a red flag he is waving, friends, and we are as mad as a bull. If you want to do something about this hellish mess, then write us today."

Another front-page article was entitled, "Israel Fights Fulbright for Secretary of State",

A front-page bulletin said;

"On December 18, ROY FRANKHOUSER, NSRP National Organizer, led five youth members in picketing Governor DAVID LAWRENCE, who was making a treasonous speech at an Israel Bond Drive in Reading, Pennsylvania. We congratulate these brave members for bringing our message to the attention of the man in the street."

Page 2 and Page 3 of this issue contained an article entitled, "Opinions Of World Famous Men On The Jews", compiled by ERNEST F. ELMHURST, Author of "The World Hoax". This article printed alleged statements from sixty individuals, such as GEORGE WASHINGTON, MARCUS TULLIUS CICERO, JESUS CHRIST, BENJAMIN FRANKLIN, WINSTON CHURCHILL, etc., on this subject.

Page 4 of this issue printed an article entitled, "State Righters Elect Officers". It is noted that the names and addresses of the officers mentioned in this article have been set out above.

Another article on page 4 was captioned, "N.S.R.P. News Notes". An announcement was made in this article that if any NSRP member should desire to organize others into a formal active unit, in their area, they should write for a

BH 105-477

free organizational manual, care of Box 783, Birmingham, Alabama. This article mentioned that the NSRP has a Book Shop, care of Box 423, Wilkes-Barre, Pennsylvania, and solicited invitations for free extensive book list. This article mentioned that a "Nord-Europa Encampment" would be held in London, England, May 20-27; that a group of NSRP members would make the journey to celebrate the racial holiday and study race with fellow white men from all over Europe. Anyone interested should write for details and lowest possible travel rates, care of Box 783, Birmingham, Alabama.

A paragraph in this article announced that E. E. WILLIAMS, 1207 South Clay Avenue, Waco, Texas, is the new State Chairman of that State. The paragraph concluded that WILLIAMS needs the help of Texans in organizing that State.

Another paragraph under "N.S.R.P. News Notes" was captioned "Where Is All The Gold Going", This article said:

"You guessed it. Much of it is finding its way to the bandit state of Israel." This article quoted Dr. E. LEHMAN, General Director of the Israel National Bank, to the effect that Israel had received from outside sources a total of \$278,000,000.00. Dr. LEHMAN was further quoted as follows:

"For which we do not have to repay a single dollar to the outside world."

This article concluded, "Yet EISENHOWER's answer to the outflow of American gold is to break up the families of U. S. servicemen by bringing home their dependents. The Jew dominated politicians dare not cut off the fantastic giveaways of your tax money to the parasitic state of Israel. The Jewish state receives more free aid from the USA (per person) than any other nation in the world. The Jew is the cancer which feeds upon all peoples. No wonder they are the most despised race in the world. They are themselves responsible for the hostility they create wherever they go."

Enclosed with Issue No. 25 was a mimeographed sheet entitled, "The Thunderbolt Man, America's Future Hope For

BH 105-477

Whitefolk Salvation". This sheet had a drawing of a man wearing "The Thunderbolt" emblem at the top of the left side of his shirt. This sheet listed four decisions made at the NSRP Chattanooga conference, as follows;

- (1) All members will wear "The Thunderbolt" patch. Men will purchase a grey shirt, women a grey blouse or dress. All will have a "Thunderbolt" patch sewn over the heart, (As illustrated in picture above).
- (2) All NSRP units will begin holding regular weekly meetings. (once a month being required)
- (3) Organizational manuals, new platforms, taped speeches, local unit stationery, and other supplies are being issued local units.
- (4) "The Thunderbolt" newspaper, all funds available, the dedicated efforts of every officer, will be given the task of organization,

"We must build our movement from coast to coast. Now is the time - this is the last chance for the White Race. We must win, the fate of the White Race is in our hands. If you stand with us, do your part and return the coupon below."

The coupon referred to was addressed to the NATIONAL STATES RIGHTS PARTY, P. O. Box 783, Birmingham, Alabama, and contained appropriate spaces for ordering "Thunderbolt" patches; making application for membership in NSRP; securing extra copies of Issue No. 25 of "The Thunderbolt", which was described as "our most powerful issue, opinions of 60 great white men on the Jew. Awaken your neighbors, mail them out, pass them out in the street, check number you can use above."

A last space was shown, wherein funds were solicited. "If you are unable to be an organizer, or work out in the open, then please send us the ammunition (funds) so this struggle may be carried out to the uttermost."

BH 105-477

The sheet concluded with, "White man may we hear from you today."

Issue No. 26 of "The Thunderbolt", dated February, 1961, was a "Special Georgia Edition". Page 1 contained an article entitled, "Talmadge - Vandiver Sellout". This article mainly discussed United States Senator HERMAN TALMADGE of Georgia, and indicates that TALMADGE is not a real segregationist. This article stated that HERMAN TALMADGE is a leading salesman of Israeli bonds in the South. The following is an example of the contents of this article:

"As a result of his father's White Supremacy reputation, HERMAN TALMADGE was enabled to become Governor of Georgia, and then to get elected to the United States Senate without ever doing anything for the white race. When Governor, HERMAN published a weekly newspaper, 'The Statesman'. During each election campaign, its columns were devoted to the racial issue. As soon as each election ended, it completely dropped any mention of the race problem. HERMAN only used the Negro issue to get votes. As a public official, he has never seriously done anything to maintain separation of the races."

Pages 2 and 3 of this issue contained an article, illustrated with photographs, entitled, "Leo Frank Case and Today's Jewish Rape of the South". This article stated that MARY PHAGAN, a 13-year-old white girl, was found murdered in April, 1913, at the National Pencil Company factory in Atlanta, Georgia. The article stated that LEO FRANK, born of German-Jewish parents, Superintendent of the factory, killed MARY PHAGAN in a sex crime. The article is detailed. One photograph is entitled, "The Beast Is Hanged". Half of page four is devoted to the concluding part of the article on HERMAN TALMADGE. Other short articles are;

"Kennedy Appoints More Jews To Power";

"States Righters. A Secret Revolution Has Taken Place In Washington. The Jews Have Taken Over The United States Government";

BH 105-477

"Remember Mary Phagan
Committee Visits Grave".

A photograph was printed in connection with the latter article, showing a photograph of ROBERT BOWLING of Atlanta, Georgia, Chairman of the "Remember Mary Phagan Committee", placing flowers on the girl's grave.

There is an unidentified white man beside ROBERT BOWLING at the grave.

NSRP ACTIVITY IN ALABAMA

On December 5, 1960, the Birmingham FBI Office received a copy of a letter on NSRP letterhead, addressed to the Editor of the "Birmingham News", Birmingham, Alabama, which read as follows;

"I wish to take issue with your editorial of Dec. 4. You give a 'Solid welcome to the new F.B.I. agent in charge, Thomas J. Jenkins, Our city and state have the highest respect for our F.B.I. men.'

"The main purpose of Thomas J. Jenkins here in our state is to intimidate voting registrars and other public officials. Under the direction of an extreme left-wing Justice Department, the F.B.I. is seeking to have every illiterate Negro in this state on our voting rolls. The F.B.I. is trying to return us to the Reconstruction era. They want the Negro in political office dominating the Whiteman. No, Thomas J. Jenkins and his F.B.I. are NOT welcome in Alabama, nor do we have ANY respect for these integrators. We wish they would pack their carpetbags and get out. Bull Connor and the State Police can take care of any criminals in this state. The F.B.I. in most cases hampers local law enforcement and therefore is not needed."

This letter was signed by Dr. EDWARD R. FIELDS, 1216 Woodland Avenue, Birmingham, Alabama. The NSRP letterhead stationery identified Dr. EDWARD R. FIELDS as Information Director of the NSRP. The envelope in which this letter was received had a return address of "The Thunderbolt", P. O. Box 783, Birmingham, Alabama,

NSRP ACTIVITY IN NEW JERSEY

On January 19, 1961, Chief of Police FRANK JONES, Delaware Township, New Jersey, advised that approximately two weeks previously several men, who identified themselves as members of the NATIONAL STATES RIGHTS PARTY, came to his office and requested a permit to picket the Latin Casino, where SAMMY DAVIS, JR., had just started his engagement. Chief JONES ejected these individuals from his office, and heard nothing further from them until he received a letter a few days later, as follows:

"On the night of January 14 several members of the NATIONAL STATES RIGHTS PARTY arrived in Delaware Township, with the purpose of picketing the race mixing Negro SAMMY DAVIS, JR. Upon starting to picket him at approximately 9:30 P.M., we were told by the policeman on duty at the Latin Casino that we would have to get a permit from you in order to picket.

"In complying with the officer's request, we went to the Police Station in order to get such a permit.

"Upon arriving at the Police Station, we were treated courteously by everyone, but yourself, and you treated us very rudely. It is our constitutional right to picket in defense of our race and we shall continue to do so in the future.

"Now I would like to know under what Ordinance we are 'supposed' to get a permit in order to picket in Delaware County. If there is no Ordinance to this effect, we shall bring a suit against you for threatening us and depriving us of our constitutional right of protesting integration.

"Sincerely,

/s/

BH 105-477

It is noted that the above letter was on stationery bearing the masthead NATIONAL STATES RIGHTS PARTY, and identified the national headquarters as being Post Office Box 783, Birmingham, Alabama. The local unit headquarters address was given as Box 423, Wilkes-Barre, Pennsylvania.

National officers listed on the left-hand margin were as follows:

NED DUPES - Chairman;

Mrs. E. L. BISHOP - Vice Chairman;

W. B. BURCH - Assistant Chairman;

BERNICE SETTLE - Secretary-Treasurer;

ROY FRANKHOUSER - Organizer;

MATT KOEHL - Security Officer;

Doctor EDWARD R. FIELDS - Information Director.

On January 23, 1961, Chief JONES advised that, during the week-end of January 20-22, 1961, he and members of his Department, as well as members of the New Jersey State Police, were present at the Latin Casino during all the floor shows in which SAMMY DAVIS, JR. appeared. He stated that no incidents developed and no suspicious individuals or activities were noted. He stated that, in general, the audience reaction to SAMMY DAVIS, JR.'s performance was normal in every respect.

GEORGIANS UNWILLING TO SURRENDER

Captain [redacted] Atlanta, Georgia, Police Department, advised, on February 17, 1961, that GEORGIANS UNWILLING TO SURRENDER held a meeting at the Tower Theatre, Atlanta, on the evening of February 16, 1961, for the purpose of raising money to be used to fight integration in the Atlanta area. The Master of Ceremonies for the meeting was J. O. PARTAIN, JR., Atlanta businessman, and the principal speaker was LEANDER H. PEREZ from New Orleans, Louisiana. Other speakers were ROY HARRIS and LESTER MADDOX.

b6
b7C

Captain [redacted] advised that 500 to 600 people heard the speakers attack Governor ERNEST R. VANDIVER and other State officials for allegedly surrendering to the Federal Government on the integration of public schools issue.

b6
b7C

Captain [redacted] advised that he observed the following persons at the meeting who were handing out the February, 1961, issue of "The Thunderbolt":

[redacted]
JESSE B. STONER,

[redacted]
WALLACE ALLEN.

b6
b7C

Captain [redacted] furnished a copy of the February, 1961, issue of "The Thunderbolt", which contained as a feature story an article entitled, "Leo Frank Case and Today's Jewish Rape of the South - A Christian Girl Murdered - A Jew Arrested - A Horrified But Awakened Southland". This article recounts the rape and murder of MARY PHAGAN, on April 26, 1913, and the resulting trial and lynching of LEO FRANK. The article attempts to equate the murder of MARY PHAGAN with alleged efforts of the Jews today to force

BH 105-477

integration on the South.

The above-mentioned issue of "The Thunderbolt" also contains information regarding the formation of a "MARY PHAGAN COMMITTEE", whose purpose will be to beautify and make pilgrimages to the grave of MARY PHAGAN at Marietta, Georgia, City Cemetery. ROBERT BOWLING is listed as Chairman of this Committee.

The February 17, 1961, issue of the "Atlanta Journal" carried an article concerning the meeting of GEORGIANS UNWILLING TO SURRENDER, on February 16, 1961. The article states that LESTER MADDOX, Chairman of GEORGIANS UNWILLING TO SURRENDER, noted the distribution of "The Thunderbolt" among the audience and requested that the distribution be stopped. The article pointed out the attendance of ROBERT and RICHARD BOWLING, GEORGE BRIGHT and WALLACE ALLEN at the meeting, and identifies them as being individuals who were indicted in connection with the bombing of "The Temple" in Atlanta, on October 12, 1958.

The article reports an interview with EDWARD R. FIELDS at the meeting and quotes him as stating, "There is a parallel between the way the Jews are forcing race mixing on us and the way LEO FRANK murdered MARY PHAGAN. MARY PHAGAN would be a good symbol for our forces to rally around". FIELDS is reported to have said that 15,000 copies of "The Thunderbolt" had been printed for the Atlanta area, and that 15,000 more copies were due off the presses for distribution in Cobb County, Georgia.

[redacted]
[redacted] received a
[redacted]

b6
b7C

[redacted] He said this letter was headed, "America In Danger".
[redacted] said the letter mentioned that there had been a "big let-down" in contributions to "The Thunderbolt" and the NATIONAL STATES RIGHTS PARTY in recent weeks; that this was expected during Christmas holidays, but the question is, according to [redacted] "Should we fight only during the election period every four years, or are we to fight month in and month out? Shall we continue to grow ever more stronger, gaining new converts every month and building a real Mass White Man's Movement, which will eventually be elected to power?"

[redacted] mentioned "The American Mercury" magazine, and said it had been doing a terrific job in alerting America. He said that at the beginning of 1961, "The American Mercury" ceased publication as an independent magazine. According to [redacted] letter, this magazine has been sold to "The Defender", a religious publication, and the words, "Jew" and "Negro" will no longer be mentioned.

b6
b7C

[redacted] wrote that last year, [redacted]
[redacted] "Mercury", showed him a statement whereby that magazine lost \$75,000.00 in a three month period.
[redacted] wrote that [redacted] personally made up this loss, but that even a man of his standing could not take such a loss indefinitely. This letter listed the following publications which went out of business during the past two years:

b6
b7C

"The American Mercury",

"The American Nationalist",

"The Virginian",

"Williams Intelligence Summary",

BH 105-477

"The Americanism Bulletin",
"The Revere",
"National Republic",
"Montgomery Home News", and
"Right".

[] pointed out that all these publications had done a terrific job, and raised the question why they ceased publication. He pointed out that the ones with advertising soon lost it when they entered the "Negro-Jewish question"; that those who had saved money or tried to finance their publication themselves, soon were exhausted financially.

b6
b7C

[] wrote that others were weakened by the long fight with "constant harrassment by the enemy and by the loss of printers and the drain of funds". He mentioned in this letter that there are only a handful of right-wing patriotic publications left; that during the past two years "The Thunderbolt" and NSRP have been the "only bright light on the scene".

The letter concluded with a plea to support NSRP and its publication; introduced a "Sustaining Fund" and asked supporters to contribute to this fund.

On February 13, 1961, [] mentioned above, advised that he received a mimeographed letter from NSRP, Birmingham, captioned "Financial Position Improves". A part of this letter is as follows:

b6
b7C

"If the fine response continues to our "Sustaining Fund", we will soon wipe out "The Thunderbolt's" deficit. We need to be in a safe financial position, in order to plan future action campaigns. Several of you have written this office asking for some figures on just how much it costs to get this newspaper out. Because our enemies read this paper, we usually do not give out this information. But, I feel that you deserve to know how we are progressing. During December, 'The Thunderbolt' lost \$105.18. This month,

BH 105-477

"'The Thunderbolt' collected \$1,003.90. Expenses for the same month (February) were \$1,145.04 for printing, postage, overhead, etc. This is a loss of \$141.14. These figures will give you some idea of the need for the "Sustaining Fund". If we are to expand, we need to be guaranteed \$1,500. a month. Most of you seem to favor the Fund idea, because you know how much you give, and when your book is returned, you know we received it safely.

"We have no ads as business men do not want to be involved in any kind of controversy. We are not subsidized by the Government. (Life Magazine sends out about 10 copies for 1¢.) We must pay 30 to 40 times more postage than Life per issue. We have no wealthy backers, just little average folks. We had rather have it that way. We know you will not run out on us if the fighting gets rough."

The remainder of this letter mentioned the fact that President KENNEDY had appointed "two more Jews to powerful positions". ARTHUR M. SCHLESINGER and PHILIP M. KLUTZNICK were mentioned. SCHLESINGER was appointed to a newly created position as "Special Advisor to The President", according to this letter, and KLUTZNICK was appointed, "America's Jewish Minister to the United Nations Economic and Social Council". This letter mentioned that when ARTHUR GOLDBERG, Secretary of Labor, came up for his appointment hearing, Senator BARRY GOLDWATER, "a Jewish department store owner from Arizona", passed him right on without any questioning. According to this letter, "GOLDWATER stated that GOLDBERG's character was above question. (See How one Gold builds up another Gold)."

DIXIE KLANS,
KNIGHTS OF THE KU KLUX KLAN, INC.

Confidential Sources advised it was announced at a meeting of Klavern #1, U. S. Klans, Knights of the Ku Klux Klan, Inc., at Chattanooga, Tennessee, on September 17, 1957, that some former leaders of Klavern #1 and their close associates had been banished from U. S. Klans, Knights of the Ku Klux Klan, Inc., during the preceding week.

Sources advised those individuals who were banished formed a new klan organization known as Dixie Klans, Knights of the Ku Klux Klan, Inc., with headquarters in Masonic Hall, 2523 Glass Street, East Chattanooga, Tennessee. A general welfare charter was secured from the State of Tennessee on October 21, 1957, which charter lists some of the purposes of the organization as freedom of speech and association, rejection of forced integration, preservation of the Constitutions of the United States and of Tennessee, and preservation of the sovereignty of each state.

On May 13, 1959, Source stated that the Dixie Klans, Knights of the Ku Klux Klan, Inc., has active klaverns in Tennessee, Georgia, and Alabama. This informant advised attempts were made to organize klaverns of this organization in Arkansas, Mississippi, Florida, South Carolina, and North Carolina, but the attempts at organization in these states have not been successful.

BH 105-477

U. S. KLANS,
KNIGHTS OF THE KU KLUX KLAN, INC.

Source advised on October 12, 1956, that [redacted] organized a new klan group at Atlanta, Georgia, in 1953. This organization received a corporate charter in Georgia, in October 1955, under the name U. S. Klans.

b6
b7C

Sources advised in October 1956, that the U. S. Klans has no affiliation with any previous klan group but utilizes with minor changes the Klan Kloran or Ritual, written in about 1915 by WILLIAM JOSEPH SIMMONS and used by the now defunct Knights of the Ku Klux Klan (1915-1944). These sources advised the U. S. Klans has as its principal aims and objectives the promotion of Americanism, White Supremacy, and Segregation.

Source stated the aims, objectives and principals for all practical purposes are the same as those of the Knights of the Ku Klux Klan.

Sources stated that on numerous occasions [redacted] has announced objectives will be made through legal means and without violence. They advised klan officials expect to achieve objectives through strength in membership, thus insuring selection of public officials who are sympathetic with their views.

b6
b7C

Sources advised in November 1956, that [redacted] and other individuals responsible for organizing the U. S. Klans are former officers and members of the Association of Georgia Klans (AGK). AGK has been designated by the Attorney General pursuant to Executive Order 10450.

Sources advised in 1958 that the U. S. Klans continues as the principal klan in operation and is actively engaged in recruiting members in several Southern states. These informants advised that the U. S. Klans has made considerable progress within the past year in opening new units in the Southern States.

NATIONAL STATES RIGHTS PARTY
RACIAL MATTERS

On April 13, 1961, [REDACTED]

[REDACTED] Anti-Defamation League of B'nai B'rith, advised he has received information through his national headquarters that the National States Rights Party is planning anti-Semitic activities in the form of desecration of property throughout the country in retaliation of the [REDACTED] trial.

b6
b7C

[REDACTED] advised that he knew nothing further concerning the planned activity. He stated that in his opinion the most vulnerable spots for such activity in Texas would be in the cities of Waco and Austin, although he had no information that any activity was actually being planned in these cities.

"THE THUNDERBOLT" - PUBLICATION OF THE NSRP

"The Thunderbolt" is self-described as the "official White Racial Organ of the NSRP".

Issue #27 of "The Thunderbolt", dated March, 1961, contained a front page given over entirely to an article entitled "JEWS CONTROL NAACP". This article stated that ARTHUR SPINGARN, Jewish President of the NAACP, KIVIE KOPLAN, Jewish

BH 105-477

Chairman of NAACP, and JACK GREENBERG, Jewish head of NAACP legal staff, control the workings of the NAACP. Page two is devoted to a full-page story of "The Columbians", an organization formed in Atlanta, Georgia, by EMORY BURKE and HOMER LOOMIS. This article stated that "The Columbians" stood strongly for segregation.

Page three contains an attack on Director J. EDGAR HOOVER of the FBI, allegedly quoting at some length from a speech made by Director HOOVER on April 15, 1960, at the African Methodist-Episcopal Church at Chicago, Illinois. The editor of "The Thunderbolt" noted, "J. EDGAR HOOVER labels the basic premise of the Citizens Council and all States Rights and Constitutional groups as dangerous, a disease, a virus, etc. He calls our literature obscene and feels it should be banned from the mails. (It's all right for the NAACP to publish race mixing literature, but it is wrong for us to advocate racial purity, racial integrity and intelligent discrimination for our people.) To J. EDGAR HOOVER's way of thinking, those who want their child to go to a white school are 'living in a vacuum of moral degeneracy!'"

Page three contained another article entitled "HOOVER OVER CONGRESS". This article stated in part, "The FBI never questions or harasses Negro pickets or sit-ins - another case of civil rights for blacks only. J. EDGAR HOOVER now holds himself above Congress and refuses to answer questions on his infringements on white men's rights. The FBI created by Congress has become so all powerful that they now ignore Congress."

Issue #27 of "The Thunderbolt" also contains a lengthy article concerning United States Senator HERMAN TALMADGE of Georgia. This article alleges that Mr. TALMADGE is an "integrationist" and a member of the NATIONAL CONFERENCE OF CHRISTIANS AND JEWS.

Issue #28 of "The Thunderbolt" for April, 1961, was devoted entirely to stories concerning the ADOLF EICHMANN trial. This issue contains articles such as "Jews Massacre Arabs", "Judea Declares War On Germany" and "The Jewish Fake Photos".

BH 105-477

Issue #29 of "The Thunderbolt" for May, 1961, contains an article entitled "Subversives in Government". This article sets forth a list of officials of the United States Government, such as Secretary of the Treasury DOUGLAS DILLON, Secretary of Labor ARTHUR GOLDBERG and Secretary of Health, Education and Welfare ABRAHAM A. RIBICOFF. This issue contains a lengthy article, which has appeared in "The Thunderbolt" before, entitled "Opinions of World Famous Men on the Jews". This issue carried the story that ROBERT LYONS, State Chairman of NSRP in Pennsylvania, departed on April 29, 1961, for London, England, to attend the "Nord-Europa Encampment". NSRP member A. C. HAYDEN of Ohio accompanied LYONS.

The June, 1961, Issue #30 of "The Thunderbolt" contains a front page article entitled "Impeach President Kennedy". Under this heading is a photograph of white and Negro children captioned "KENNEDY Wants Your Child In This Picture". This issue accused "The Birmingham News", a daily newspaper, of being a part of the "Giant Newhouse (Jewish) chain of newspapers." This article stated that "The Birmingham News" defames "white heroes as mobs and thugs" while calling the mixers "freedom riders". This issue carries an article entitled "B'nai B'rith Seeks Control of Courts". Other articles appear in this issue concerning the evils of integration, showing photographs of "interracial couples". An article entitled "Federal Marshals Are Illegal" appeared in this issue. This article stated that President KENNEDY did not have a right to send armed men into a sovereign state without first being requested by the Governor of said state. This article said the marshals "are illegal interlopers". This issue also gives information as to how to make a citizen's arrest. The article said in part "No criminal who commits a felony is above a citizen's arrest, be he another citizen, a politician, a policeman, or even a federal marshal."

Issue #31 of "The Thunderbolt", dated June 25, 1961, continued its attack on "The Birmingham News", alleging that Birmingham News Reporter BUD GORDON helped persecute a white man named HERSCHEL W. ACKER of Rome, Georgia, as one of the disturbers of the peace at the Trailways Bus Station in Birmingham on May 14, 1961. This issue contained a lengthy article entitled "History of Communist Spy Rings in America" by FRANK L. BRITTON. The back page of this issue is devoted to an

BH 105-477

article entitled "The Chicago Jungle - The Jungle Beast That Walks Like a Man and Kills Like a Beast." This article relates incidents at Chicago such as the killing of his girl friend by MARSHALL ABRAHAM with a hunting knife. Reproduction of an article from the magazine "JET" was printed on page 4 of this issue. This article was captioned "Chicago Man Beheads Lover" and said in part, "From his Chicago jail cell last week, twenty-nine year old laborer, MARSHALL ABRAHAM, seemed totally unconcerned over the grim fact that he had hacked off his girl friend's head with a hunting knife - only disturbed over reports that news stories had given inaccurate details of his grisly crime." "The Thunderbolt" set out on page 4 various comparisons of Negroes and white people, such as the size of the skull, the inferior quality of Negro blood, according to "The Thunderbolt".

Issue #32 of "The Thunderbolt" dated July, 1961, printed a front page story entitled "Fantastic Fortune of SAMUEL I. NEWHOUSE". This article stated that Mr. NEWHOUSE is the son of a Russian Jew immigrant and is now worth \$200,000.00. This article stated that Mr. NEWHOUSE did not have to work for any of his vast holdings, but in time of trouble stepped in and bought up "51% of the stock. This is all he needs for complete control". This issue contains several lengthy articles alleging that "Communism is Jewish". This issue printed an article entitled "J. EDGAR HOOVER Makes Shocking Statement". This article quoted the "Paterson Evening News" for May 10, 1961, page 40, in part, "During the past few weeks HOOVER has sent FBI Chief Inspector WILLIAM G. SULLIVAN to deliver speeches in many parts of the Nation, warning Americans not to be taken in by charges that their churches are overrun with Reds. These allegations have served to create the impression among many Americans that the Protestant denominations in particular have been subjected to alarming infiltration and influence, SULLIVAN says, but this is a patent falsehood. The truth of the matter is that the COMMUNIST PARTY has not achieved any substantial success in exerting domination, control or influence over America's clergymen or religious institutions on a national scale."

"The Thunderbolt", in this article, alleged that "J. EDGAR HOOVER has forced Congressman FRANCIS WALTER in his 'House Un-American Activities Committee' to stop its investigation of Communism in the churches. This proves that J. EDGAR HOOVER can be bought and has been bought. Many have been

BH 105-477

fooled into thinking HOOVER to be America's Number One Red fighter. Nothing could be farther from the truth." This issue also carried a short article indicating that Governor JOHN PATTERSON of Alabama had stopped the FBI from using the Alabama State Patrol radio and had forbidden State Police to cooperate with FBI Agents. This article said that Governor PATTERSON's patience had been "tried to the limit" because the FBI had been harassing segregation leaders and voting registrars.

Issue #32 of "The Thunderbolt" announced that JAMES K. WARNER was no longer a member of NSRP and that his book store or "Book News" is no longer affiliated with NSRP. On page 4 it was announced that Mr. PAT R. CRAWFORD was elected new State Chairman of the NATIONAL STATES RIGHTS PARTY of Arkansas. New state mailing addresses of NSRP Chapters were announced in this issue, as follows:

NSRP of Louisiana, P.O. Box 4342, New Orleans 18, La.

NSRP of Wisconsin, P.O. Box 2493, Milwaukee, 14, Wis.

NSRP of New York, P.O. Box 1243, GPO, Brooklyn, N.Y.

NSRP of Montgomery, Ala., VICK ASHURST, Chairman,
417 Clayton Street, Montgomery, Alabama.

This announcement noted that all other state addresses remained unchanged.

Issue #33 of "The Thunderbolt" for August, 1961, carried front page articles concerning the Segregation-Integration situation in Georgia. One article listed the names of approximately thirteen stores in Atlanta and urged that these stores be boycotted by white people because "these firms have shown that they care more for their colored customers than they care for white patronage." Pages 2 and 3 contain stories and pictures pertaining to the integration of schools. One article is captioned "Congressional Report on School Mixing-Children Pregnant". On page 2 appears an article, allegedly reprinted from the "Centreville Press", Centreville, Alabama, June 15, 1961, pertaining to the "Freedom Rider" episode in

Birmingham on May 14, 1961. This article allegedly gives an exact conversation between Attorney General ROBERT KENNEDY and Mr. GEORGE E. CRUIT, Superintendent of the Greyhound Lines, Birmingham. In substance, this article indicates that Mr. KENNEDY was trying to get the Greyhound bus driven from Birmingham to Montgomery and Mr. CRUIT was explaining why he could not get anyone to drive the bus. Page 4 contains a photograph of NSRP members ROBERT LYONS, ROY FRANKHOUSER and JOHN MARSHALL. These men are shown holding placards while picketing the NAACP Convention in Philadelphia. On page 4 of this issue there appears an article which said that on July 22 and 23, 1961, Mr. WILLIAM HOFF, Chairman of the newly formed NSRP of New York City, led a picket line of nine patriots in picketing headquarters of CONGRESS OF RACIAL EQUALITY. This article said the men carried American and Confederate flags. Several wore "Thunderbolt" arm bands and passed out copies of "The Thunderbolt". Members of the "Jewish War Veterans" tried to start a fight but were warned by alert police. This article also pointed out that VICK ASHURST, Chairman of NSRP of Montgomery, Alabama, P. O. Box 1774 Montgomery, Alabama, led a picket line against a local showing of "Exodus". "The Thunderbolt" congratulated Mr. ASHURST's unit for enrolling more members in July than any other NSRP unit. It was stated that the Montgomery unit is holding weekly meetings "even through the hot weeks of August".

Issue #34 of "The Thunderbolt" for September, 1961, carried a front page article entitled "If Atom Bombs Fall - Who Is To Blame". The front page also carried an article entitled "The Fuchs Spy Ring - Eight Were Jews", and a listing of military secrets allegedly received by Russia from the above-mentioned spy ring.

Page two describes the integration of schools in Atlanta, Georgia, the first of September and refers to Atlanta as "America's East Berlin".

A short editorial stated, in part, "The Jews plan to use the Atlanta method of police terror, to mongrelize every white school in the South. Boycotts and private schools is the immediate means of stopping Jewish violence which is destroying white schools."

Page 3 is devoted primarily to an article entitled "J. EDGAR COVERS FOR FRANKFURTER". This article states, in part, "NSRP investigators have uncovered a document in the U. S. Government Archives whereby J. EDGAR HOOVER of the FBI listed the Jew ruler of the Supreme Court, FELIX FRANKFURTER, as a Communist. ISAAC FERGUSON, JACOB HARTMAN and BIEDENKAPP are also Jewish Communists. HOOVER issued this report in 1921 before he received the political appointment to head the FBI. We, therefore, had a patriotic Congressman request a photo-stat of this document. He was refused. (See letter #1) J. EDGAR HOOVER then learned his secret report had been discovered and rushed an FBI Agent over to intimidate the Congressman and bury the document. Letter No. 3 is our investigative reply to the Congressman. (Names of the Investigator and Congressman have been censored to protect them from persecution)."

Page 4 of this issue contains a lengthy article entitled "Let's Build the NSRP in Your Town". This article is a plea to organize new local branches of the NSRP. This article stated that NSRP is "now laying plans for the elections of 1962, but we cannot wait until a few months before the elections to get started to work, and the National Headquarters cannot send out organizers to every locality."

Page 4 contains some photographs of "Thunderbolt Mobile Unit". This is a trailer which contains "The Thunderbolt" emblem on its side and such slogans as "The Politicians Have Sold Us Out", "We Believe In Government By The People", "This Is A White Working Man's Party", "We Fight To Save Alabama From the Fate of Atlanta". On the rear of the trailer is printed, "Join Us and Fight to Save the White Race", "National Headquarters, P. O. Box 783, Birmingham, Alabama; Alabama Headquarters, P. O. Box 1774, Montgomery, Alabama." On another side of the trailer is the following: "Separation of the Races is God's Plan. Race Mixing is a Communist Plan. 2 - 4 - 6 - 8 We Will Never Integrate. The White People Must Stand Together - By Standing Together and Fighting Together We Will Win."

It was announced that this Mobile Unit would start rolling in Alabama and will cover four to five counties a week. This unit will be used to get the "truth out to the people of Alabama and prepare for the 1962 elections. It will also help to recruit new members and hold NSRP meetings. The Mobile

BH 105-477

unit is equipped with a public address system, so that open speakings can be held on any location. The Mobile unit is a traveling NSRP office and small meetings of 7 or 8 people can gather inside the trailer and it will sleep up to 6 people. Alabamians, look to the roads, for the NSRP is rolling your way."

There is a report in this issue by ROBERT LYONS pertaining to his visit to the "Nord-Europa Encampment" in London, England.

Page 7 contains a lengthy article entitled "NSRP Organizer Arrested in Atlanta", which purports to be a reprint from "The Atlanta Journal". The article refers to the arrest of ROY E. FRANKHOUSER, JR. of Reading, Pa., a national organizer for the NSRP. The occasion was "a peaceful protest" rally, according to "Atlanta Journal", "sponsored by KU KLUX KLAN in Atlanta." The "Atlanta Journal" article stated that Detective Captain R. E. LITTLE, JR. of the Atlanta Police Department claimed that FRANKHOUSER kicked him on the shin. Another article on page 7 was entitled "Jewish Anti-Defamation League Bulletin Brags How They Control Race-Mixing Propaganda On T.V."

Page 8 of this issue contained a large printed application to the NSRP; also, some brief notices concerning NSRP activities. An NSRP rally was held in Chicago August 19, 1961, at the La Salle Hotel. Speakers at this meeting were MAX NELSON, Party Organizer; MATT KOEHL, Security Officer; ROBERT LYONS, Youth Leader, and ROY FRANKHOUSER, National Organizer. According to "The Thunderbolt", the crowd was larger than anticipated and extremely enthusiastic, and that a social get-together is next on the party agenda for Chicago.

NSRP of New York City, headed by WILLIAM HOFF, announced the creation of a Party Bowling Team. Members will wear bowling shirts with NSRP embroidered on the back of the shirt. It was stated that those interested should contact Mr. HOFF immediately at P.O. Box 1243, Brooklyn 1, N. Y.

BH 105-477

NSRP of California, P.O. Box 421, Laguna Beach, California, announced the beginning of a State Publication for California. It will be called "The Attack". It was stated that all California members should support this worthy effort.

NSRP of Ohio announced that they would begin publication of a local NSRP news letter on activities in their state. New Orleans was the first place to publish a State NSRP Newsletter and it has been highly successful, according to "The Thunderbolt".

NSRP of Louisiana announced a mass meeting for September 26th. [redacted] was scheduled to speak. "The Thunderbolt" stated that the NSRP of Louisiana has been in the forefront in the struggle for white schools. It was stated that people wishing to attend the New Orleans meeting should write NSRP of Louisiana, P.O. Box 4342, New Orleans 18, Louisiana.

Birmingham Confidential Informant T-1 advised on April 14, 1961, that he received with his March, 1961, issue #27 of "The Thunderbolt" a printed leaflet. He said a part of this leaflet was entitled "Financial Report" and read as follows:

"During February donations received amounted to \$1,121.34. This is an increase of \$117.44 over January. At the same time our February expenses ran to \$1,309.20. This is a loss for February of \$187.86. Times are hard and with income tax time here, we easily can understand why only fifty percent of you were able to return your Sustaining Fund Cards during February, but at the same time the increase over January leads to believe that with better weather and more activity ahead funds will increase and the deficit wiped out. Therefore, we will not cut back on any of our projects. So, in order to sustain this newspaper, try and get your contributions to the Sustaining Fund in this month, even if you must give less than before. Keep fighting." Signed: "DR EDWARD R. FIELDS".

Confidential Informant T-1 advised on May 27, 1961, that he received, together with Issue #30 of "The Thunderbolt" for June, 1961, a printed letter which was entitled "We Are Under Invasion". This was a letter from DR. EDWARD R. FIELDS, P.O. Box 793, Birmingham, Alabama. T-1 said this letter contained the following: "All of you are fully aware of the shocking events of the past few days. We are actually under the armed rule of a dictatorial police state. Happenings have occurred so rapidly that our entire timetable is off. We are weeks behind on any number of vital projects. Yet, everything had to be put aside for the enclosed urgent Thunderbolt issue. As you can see, it is designed for local mass distribution. President KENNEDY himself has asked the Federal Judge to enjoin the NATIONAL STATES RIGHTS PARTY from going down to local bus stations and stopping these Communist mixing riders. (Even though no NSRP member has been arrested in these battles) This is a giant smear against the NSRP to make us appear guilty and the CORE riders innocent. As of today we have not been served with any injunction papers and if we are, they are null and void. We will pay no attention to such cheap Communist attempts to intimidate us. Of course, our attorney will find any move to hamstring our struggle against Communism. Birmingham is like any other city. We have our patriots and our traitors, looking for the easy way to sell us out. This Thunderbolt will go out to the good white people of Alabama. We hope that many of you will realize this vital need right here in Alabama. History moves so rapidly that it seems as if we are propelled into a new crisis every month. Regardless, we must continue fighting. In the end truth will win out. We want to ask all pledgees to send in their June cards early so that we will have funds on hand to keep this fight going here on the Alabama front. We hope all other supporters will try and give something for the month of June now to help finance this desperate battle. Faithfully yours, DR. EDWARD R. FIELDS."

T-1 advised on June 20, 1961, that he received a printed letter along with his issue of "The Thunderbolt", #31, dated June 25, 1961, entitled "Our Goal - A National Weekly". This letter was addressed to "Dear Fellow Members and Supporters". The letter pointed out that two editions of "The Thunderbolt" had been put out in June, 1961, and that the

goal was to publish "The Thunderbolt" weekly. This letter said, in part, "We will then have the only patriotic White weekly newspaper in America. We are able to publish more frequently because the NATIONAL STATES RIGHTS PARTY has progressed all along the line. The NSRP is the fastest growing White political movement in America. Of course, the fact that you will be receiving twice as many Thunderbolts from now on and four times as many when we start publishing weekly will force a rise in our subscription rates to \$5.00 a year in the very near future."

Birmingham Confidential Informant T-2 advised on August 1, 1961, that he received some printed material at the same time he received his issue #32 of "The Thunderbolt" for July, 1961, as follows:

One printed cartoon depicting former Alabama Governor JAMES E. FOLSOM and Congressman ADAM CLAYTON POWELL of New York drinking cocktails together. This cartoon states "Join the NAACP (National Association For Advancement of Colored Cock-tail Parties in the Governor's Mansion)." On the back of this cartoon is a reprint of an article from "The Montgomery Advertiser" for May 23, 1961, entitled "FOLSOM BACKS KENNEDY ACTION". The article stated "Justice Department officials reported that Attorney General ROBERT F. KENNEDY Monday received a message of support in the Alabama crisis from former Alabama Governor JAMES E. FOLSOM. FOLSOM phoned KENNEDY to tell him he felt the steps taken by the Justice Department were warranted, these officials said."

A printed notice announcing a States' Rights meeting at the Jefferson County Court House, 7:30 P.M., Tuesday, August 1, 1961. This notice stated that DR. EDWARD R. FIELDS, Editor of "The Thunderbolt" and Mr. C. C. BOUTWELL, writer and lecturer "(father of our great Lt. Governor)", would be the speakers."

T-2 said he also received a "Sustaining Fund Report". This report stated, in part, "Well, here we are at the mid-way point in 1961. This is July and there are six months left in the year. What has been the effect of the NSRP Sustaining Fund on the growth of The Thunderbolt newspaper? We will give you some facts and figures. From January to June, first six months, The Thunderbolt received in subscriptions and

BH 105-477

literature sales \$3,803.05. Contributions to the Sustaining Fund were \$3,429.64. In other words, almost fifty percent of the finances promoting this newspaper came from the Sustaining Fund and its pledgees, such as yourself. You should be proud of the progress you alone are responsible for. We now publish double the number of Thunderbolts that were being printed at the end of 1960. That number may even be tripled before this year is out."

This report said that every newspaper has only a limited number of ways it can finance itself. Three of these ways, advertising, heavy financing and small contributions, were mentioned. DR. FIELDS, who signed the Sustaining Fund Report, stated at one point in the report "Because of the Sustaining Fund, our position is strong. Without it we would cease to exist. These are the hard cold facts."

This article said that a segregation rally was held at Anniston, under the sponsorship of the NATIONAL STATES RIGHTS PARTY, on September 5th, which attracted 200 persons to a vacant lot on West Tenth Street near the viaduct in Anniston. This article stated that Attorney J. B. STONER, Atlanta, Georgia, referred to Attorney General ROBERT F. KENNEDY as "Bobby Sox Kennedy".

The article said that a collection was taken up during STONER's talk, the proceeds of which would go to a defense fund for nine Anniston men charged last week in Federal indictments, growing out of the Mother's Day "Freedom Rider" bus burning near Anniston.

MISCELLANEOUS

BH T-2, above-mentioned, advised on September 25, 1961, that he received a leaflet with his September, 1961, "Thunderbolt" entitled "N.S.R.P. ORGANIZER ROY FRANKHOUSER FRAMED IN ATLANTA", which read as follows:

- " 'Peaceful integration' in Atlanta was accomplished with the use of violence against White Patriots by the police themselves. On page 7, of the enclosed Thunderbolt is the story of the false arrest of National States Rights Party Organizer, ROY E. FRANKHOUSER. It was an out and out frame up. We have numerous witnesses to what took place. Hartsfield's Detective, Capt. R. E. LITTLE attacked and struck FRANKHOUSER as he took down a tag number. Then LITTLE arrested and charged FRANKHOUSER with assault, - the crime LITTLE himself is guilty of!
- " It has always been the policy of N.S.R.P. to go all out in defending any member who is arrested in the line of duty. We furnish the member with full legal protection at no cost to the member being persecuted. Mr. FRANKHOUSER is a National Officer of this Party. He is a dedicated member and well deserving of our all out support. In the past a number of NSRP members have been arrested (mainly in Atlanta, America's East Berlin.) We are proud of the fact that NO NSRP MEMBER HAS EVER BEEN CONVICTED IN ANY COURT AND NEVER SENTENCED TO SERVE A SINGLE DAY IN JAIL! This includes winning the gigantic attempt to frame GEORGE BRIGHT for a Temple bombed by the Jews themselves.
- " This month ROY FRANKHOUSER needs our help. This young patriot has given up everything for us. Mr. FRANKHOUSER has served the NSRP faithfully as a full time National Organizer for almost a year. He has done much traveling, speaking and writing for the Party. HE HAS NOT RECEIVED ONE CENT IN PAY! If we fail to put up an all out defense

BH 105-477

"in behalf of ROY FRANKHOUSER, it will not be safe for any White Segregationist to enter Atlanta. The HARTSFIELD, JENKINS, LITTLE gang of thugs will have you beaten up and then arrest you with a lying charge of attacking them. If they get away with this devilish outrage - who knows to what other city it may spread. Perhaps the Jewish ADL will get out another 'Police Manual' and advise other cities to use this new method against White People?

"The place to make our stand is in Atlanta and the time is NOW! We are determined that ROY FRANKHOUSER will be proven innocent and the real criminals exposed. This is going to take money and ROY FRANKHOUSER should not have to pay out one cent. IT IS UP TO US TO STAND BACK OF THIS FRONT LINE FIGHTER. If we fail him, who else will dare to stand up in the face of the enemy? ROY gave up his job to work full time with the Party. He struggled with us for Private White Schools in Atlanta. It can be said without contradiction that ROY has given up more for the NSRP than any other member. Now the question is, WHAT ARE WE WILLING TO DO FOR HIM?

"LETS FACE THE FACTS: Our Party Organizer will be convicted at this first trial in police court. He will go before a HARTSFIELD stooge judge and will have no jury trial. The case must be immediately appealed to the Superior Court where we hope to get a fair trial for ROY FRANKHOUSER. The National States Rights Party must accept full responsibility, and assure Mr. FRANKHOUSER of the finest Lawyers, Appeal Bond money, and a court stenographer (so that proper appeal can be made.) We have made tremendous gains since the election. We have doubled both the size and circulation of The Thunderbolt. It would be a horrible setback to the NSRP to lose Mr. FRANKHOUSER to HARTSFIELD's notorious Fulton Tower prison. We intend to spare no expense in Defending our loyal fellow member, ROY E. FRANKHOUSER.

"We need your contributions and need them NOW! If FRANKHOUSER is to be saved from this vicious frame up and Freedom of Speech, Press and Assembly preserved we must have sizeable, and generous contributions AT ONCE! "

BH 105-477

"Party and co-ordinator of all its activities, contacts and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided STONER in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week".

AMERICAN NAZI PARTY, ALSO KNOWN AS
WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that George Lincoln Rockwell, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards and talks by Rockwell attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

Re: National States Rights Party

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, George Lincoln Rockwell, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) [redacted] as an anti-Communist organization. Rockwell said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of Adolf Hitler.

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method of getting recognition in their fight against Communism. Soon these individuals join the ANP, Rockwell said.

b6
b7C

Rockwell continued there are three members of the FAN in [redacted]
[redacted] and [redacted]

A source advised on [redacted] that in talking to [redacted] ANP, [redacted] stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of Rockwell and it is used as a front group dominated by the principles and objectives of the ANP and looks to George Lincoln Rockwell as its leader.

[redacted] is described as white male, 27 years of age,
150 pounds, 5 feet 8 inches, dark hair, dark brown eyes,
and medium build.

[redacted] stated that in July, 1961 he met in New York
City with Roy Frankhouser, who lives in Reading, Pennsylvania,
and who is National Organizer of the NSRP, the headquarters
of which is located in Birmingham, Alabama. On this
occasion, [redacted] stated that Frankhouser appointed him New
York State Chairman of the NSRP and this appointment was
verified by mail within 10 days in a letter received by

[redacted] NSRP, Birmingham, Alabama. According to [redacted]
his appointment was effective as of August 1, 1961.

b6

The NSRP, according to [redacted] has subdivided
New York State into about 14 units.. Each unit is
centered around a large city within the state. New York
City is one such unit. [redacted] claimed a membership of 23 in
New York City and about 300 throughout New York State. In
addition to these, there are about 40 more persons in the
New York City area who are recipients of leaflets and
copies of "The Thunderbolt" but are not dues paying members
of the NSRP. [redacted] stated that he received the names of these
last mentioned individuals from the office of the NSRP in
Birmingham, Alabama.

b6
b7C

Re: National States Rights Party

After approval of an application, an individual becomes a member of the NSRP on payments of a \$5.00 enrollment fee and must continue to pay membership dues of \$1.00 per month. All monies collected in this matter are used to offset local organization costs in New York State. [] declined to furnish Detective [] with a list of the New York State members of the NSRP.

b6
b7C

[] stated that, from time to time, NSRP units will join picket demonstrations sponsored by some other group whose program may be similar to that of the NSRP. [] stated that the NSRP does not sponsor demonstrations, only joins others. On such occasions and when meetings are scheduled, according to [] NSRP members wear the official uniform of the Party which consists of grey shirt and trousers, black tie and shoes, and an arm band emblazoned with a thunderbolt.

b6
b7C

[] stated that the aims of the New York State Chapter of the NSRP are "for a white Christian American;" that his group opposes all Zionism as being "un-American and as dangerous to our freedom as communism." [] stated that by Zionism he meant "Jews of any kind". [] stated that the NSRP demands that the Federal Government return the "right of self-government to the States in the Union on issues involving segregation in schools, housing and employment." [] also stated that the issue of segregation in restaurants and rest rooms were matters for individual state determination rather than "federal interference".

b6
b7C

Re: National States Rights Party

[] stated that the NSRP is not affiliated with any other group and on those occasion when he has picketed with an organization called the Fighting American Nationalists (FAN) he did so as an individual and not as an official of the NSRP. [] stated that his group agrees with the program of FAN and the American Nazi Party (ANP) and plans to augment demonstrations by FAN and the ANP in the future. [] stated that in his opinion, FAN is "a local Nazi, anti-Zionist group". [] stated that he has not become a member of either FAN or the ANP because it is against the policy of the NSRP for its members to have membership in these organizations.

b6
b7C

In the opinion of Detective [] has greatly exaggerated the membership of the NSRP both in New York City and New York State, for even though the NSRP may have sympathizers in the New York area, there does not appear to be an active NSRP membership of any size in New York. Detective [] pointed out that whenever the NSRP has participated in the past in demonstrations in New York City only [] have participated as NSRP members with the exception of October 28, 1961, when they were joined by Roy Frankhouser, NSRP member from Reading, Pennsylvania, during picketing outside St. Nicholas Arena, New York City, where the annual dinner for "The Worker", east coast communist newspaper, was being held.

b6
b7C

Records of the Bureau of Special Services, New York City Police Department, indicate that [] participated with FAN in picketing Carnegie Hall, New York City, on March 3, 1961 during a rally sponsored by the Communist Party (CP) to celebrate the 80th birthday of William Z. AMERICAN NAZI PARTY (ANP)

A source, who has furnished reliable information in the past, advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise, National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell on March 29, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS, stating he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, called for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

The source advised on August 9, 1960, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open-air talks by Rockwell, attacking Jews as traitors to the United States. On July 3, 1960 and July 24, 1960, Rockwell was arrested on charges of disorderly conduct. The charges arose out of talks by him on those dates. On the latter occasion, sixteen other members of the American Nazi Party also were charged with disorderly conduct.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, George Lincoln Rockwell, leader of the ANP, advised Special Agents of the Federal Bureau of Investigation that the FAN was [redacted] as an anti-communist organization. Rockwell said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of Adolf Hitler.

Rockwell stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, Rockwell said.

Rockwell continued there are three members of the FAN in Washington, D. C.: [redacted]

Re: National States Rights Party

APPENDIX

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, North Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958 issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue number 19, dated June, 1960 of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana to Post Office Box 783, Birmingham, Alabama.

The March, 1959 issue of the Anti-Defamation League Bulletin contained an article by Jerome Bakst entitled "Angry Young Men of Hate". Regarding Edward R. Fields, the article stated "Fields, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided Stoner in the Christian Anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he posted anti-Jewish stickers on store windows during Brotherhood Week".
